

PICKING OF JURY RESTS WITH DEFENSE

LOTTERY PLAN FOR
DRAWING OF JURY
BEING CONSIDERED

Judge Edwards' Proposition Was Accepted
by the State—Governor's Attorneys Have
Until 10 o'Clock Today to Make Decision—
Court Rules Women Cannot Serve on Jury

COURT HOUSE, WAUKEGAN, Ill., April 5.—The question of how a jury shall be picked to try Governor Len Small on charges of conspiracy to embezzle state funds, rests tonight with the governor and his attorneys. They asked time until tomorrow morning at 10 o'clock to accept or reject a proposal made by Judge Claire C. Edwards that an entirely new panel be created by a lottery drawing from the male poll lists of Lake county. C. Fred Mortimer, state's attorney of Sangamon county, accepted the court's proposal today. The judge's proposition was made after he had disposed of the defense contention that women are entitled to sit on the jury by citing a previous opinion which he gave the board of supervisors, holding that women did not have that right and after he had indicated he agreed with the governor's lawyers that the present jury list is faulty because it was made up from the list of male jurors only instead of the combined list of men and women. The supervisors may properly include only the names of men for jury service, the judge said, but to comply with the law their jury box should contain names of ten per cent of the combined male and female voters, instead of ten per cent of the men only.

NATION'S HIGHEST
DUTY IS TO ITSELF
COOLIDGE DECLARES

Must Aid Its Own
Peoples Before Min-
istering to Others

(By The Associated Press)
LANSING, Mich., April 5.—The highest duty of a nation is to itself and to its own people and before America can minister to other nations there must be health and prosperity at home, vice-President Coolidge declared tonight in an address before a Republican gathering. "The first thought of the present administration," he added, "has been of our country of our own domestic welfare." The white house has been opened to the people and approach to the president has not been hindered, Mr. Coolidge said. Communication between congress and the president has likewise been open, frank and inclusive, he added, and there has been no coercion and no servility but a strict observance of constitutional independence, bred of mutual regard, respect and confidence. If persons who think the present congress lacking in accomplishment would cease their criticism long enough to examine the record, Mr. Coolidge said they would soon find their mistake.

WOULD PAY \$25 FOR
DEAD HIGHWAYMEN
Omaha, Neb., April 5.—Police Judge Wappich declared in police court today during hearing of a robbery case that he would give \$25 out of his own pocket for "every man who kills a highwayman in the commission of crime."

THE WEATHER

Illinois — Showers Thursday, Friday unsettled and colder with showers in north portion, possibly turning to snow flurries; strong shifting winds.

Temperatures.

The current maximum and minimum temperatures as recorded Wednesday were:

UNVEILING OF
BRONZE STATUE
IS IMPRESSIVE

Booker T. Washington
is Eulogized by Jo-
sephus Daniels

(By The Associated Press)
TUSKEGEE, Ala., April 5.—An heroic bronze statue of Booker T. Washington, born in slavery and who founded Tuskegee Institute was unveiled today in the presence of a large gathering of white people and negroes. Funds for the erection of the statue were contributed by 100,000 negroes. It depicts the negro educator in the act of pulling away from a crouching, half-concealed blackman, the veil of ignorance and superstition. Carved on its base are the words: "He lifted the veil of ignorance from his people and pointed the way to progress thru education and industry. The unveiling held in connection with founders' day of Tuskegee Institute brought together the largest crowd that ever visited the school. Educators and philanthropists came from every part of the country. Eulogies of the work of Booker T. Washington were delivered by Josephus Daniels, former secretary of the navy, Dr. Wallace Buttrick, president of the general education board, Dr. George C. Hall of Chicago, Emmet J. Scott of Washington, Dr. Robert R. Moton, principal of Tuskegee Institute and William G. Wilcox of New York, chairman of the board of trustees. A letter from President Harding, praising Washington was read. "Because Booker T. Washington sought to advance his own race and to preserve friendship with the white neighbors, it is almost fitting that men of both races, from the north and from the south should join in this unprecedented event," Mr. Daniels said. "I have no patent solvent for the so-called race problem. I do know that between white people and black people in the south there are stronger ties of friendship today than formerly and that out of this will grow a better understanding and better conditions."

MELLON ALLAYS
FEARS OF ARMY
OF EMPLOYEES

Says Report of Wholesale
Dismissals Without
Foundation

(By The Associated Press)
WASHINGTON, April 5.—Apprehensions which have beset the minds of the army of government employees in Washington since President Harding's removal of 29 bureau of engraving officials were partially delayed today by Secretary Mellon who circulated among the personnel of the treasury department a memorandum saying that reports of impending wholesale dismissals in the internal revenue bureau were without foundation. The statement did not preclude the possibility that changes may be expected in the bureau and in other government departments as the work of bringing the government service up to the highest standard of efficiency goes on. Such changes are predicted by high officials generally. It was indicated that the changes to be made in the treasury personnel will be accomplished gradually and that no wholesale dismissals are to be feared.

MILLER WELCOMES
PROBE OF DEPARTMENT

SPRINGFIELD, Ill., April 5.—Examination of the records of the state department of registration and education as the preliminary steps in the investigation of the department ordered by Governor Small as the result of an alleged traffic in the sale of physicians' and pharmacists' licenses and other state permits began today. The committee appointed by the governor consisting of Dr. William Able of Evanston, Dr. E. A. Evans of Chicago and Dr. E. P. Sloan of Bloomington, declined to comment upon the result of the first day's examination of the records asserting that the investigation would be resumed probably within a few days and would be followed by a preliminary report to Governor Small. "I am welcoming this investigation," said W. H. H. Miller, head of the department as the committee perused the records.

BRIEFS

(By The Associated Press)
SPRINGFIELD, Ill., March 5.—Porter Billips, negro, bearing letters indicating that his home is in West Point, Miss., and a card showing membership in the hood carriers' local union at Sioux City, Iowa, was run over by a Chicago & Alton train today and literally cut to pieces.

NATCHITOCHEs La., April 5.—A storm struck Hyams, 6 miles above here late yesterday, destroying 13 tenement houses, wrecking eight others and the Texas and Pacific freight depot, it was learned today.

OTTUMWA, Iowa, April 5.—Former Judge C. D. Leggett, 73, of Fairfield, pioneer Jefferson county attorney and judge of the Second Iowa judicial district in the early eighties, died at his home there today after a lingering illness.

JANESVILLE, Wis., April 5.—Janesville became the second city in the state to adopt the city manager plan of municipal government, as a result of the referendum election yesterday. The women in a perfectly oiled organization, got out the vote and carried the election by 711 majority.

SPRINGFIELD, Ill., April 5.—Complaint by the City of Freeport that the Freeport Gas company is charging exorbitant rates, was made in a petition filed with the Illinois Commerce commission today. The city asks that it be permitted to present evidence at a hearing set for April 13.

SPRINGFIELD, Ill., April 5.—Fruit trees are in bloom in the southern part of the state, according to the weekly crop bulletin issued today by Meteorologist Clarence J. Root of the Weather Bureau.

FORT MADISON, Iowa, April 5.—Allen E. Gibson, wealthy farmer living near here rehearsed the method by which he ended his life according to the story told by his wife following the finding of his body. Gibson, standing before a mirror went thru the motion of slashing his throat, wrists and stomach last Monday night, his wife said. When his body was found last night it was slashed as indicated before the morrow.

FORT MADISON, Iowa, April 5.—An argument arising in the city council over the respective degrees of honesty of the east and west sections of the city, resulted in the proposal that half of a large amount of new city property be stored in one section and the remaining half in the other section and the amount left at the end of the year would determine which section had the smallest number of thieves. The storage of the property precipitated the argument.

LOS ANGELES, April 5.—Investigation by the court of charges of attorneys for Arthur C. Burch, accused of the killing of J. Belmont Kennedy that "somebody" had been guilty of contempt in "tampering" with the jury panel drawn for Burch's second trial, was scheduled to begin here today.

WIFE PROTECTING STOCK
IS KILLED BY HUSBAND

Carmi, Ill., April 5.—Angered because she sought to protect some stock which had strayed into his farm yard, Aaron White shot and killed his wife at Springfield, Ill., north of this city today. White had taken his shotgun into the yard with the announced intention of killing the stock, but when his wife sought to save the lives of the animals he turned the gun on her discharging the contents of one barrel into her face. Mrs. White turned to flee and her husband discharged the second barrel into her back killing her almost instantly. White then barricaded himself within his house declaring he would kill anyone who attempted to arrest him. The house was surrounded by a posse of about 50 men and in the following battle White, who is 70 years old, was soon wounded. The house was then rushed by the posse and White was arrested.

NOTED BAR GIVES
WAY TO DELICATESSEN.

HANNIBAL, Mo., April 5.—When two horses drawing a transfer wagon this afternoon answered the driver's "giddyap" one of the oldest pre-prohibition establishments of this city passed out of existence. The wagon bore the dismantled bar of an ex-saloon which had been in operation since 1884. Many notables have been served in the bar. J. O. Green, the proprietor said, among them. Mark Twain, who dropped in frequently for a mint julep and Congressman Hatch, Dave Frank and Champ Clark were often served there. The place is to be occupied

WOULD DEPORT ALIEN
VIOLATORS OF PROHI-
AND NARCOTIC LAWS

House Passes Measure and
Sends it On to the
Senate

(By The Associated Press)
WASHINGTON, April 5.—By a vote of more than three to one the house today passed and sent to the senate a bill authorizing the deportation of aliens convicted in state or federal courts on charges of having violated the narcotic and Volstead acts. Described by prohibition advocates as a step toward better law enforcement and characterized by Representative Graham, ranking Republican on the judiciary committee, as "a monstrous piece of legislation," the bill as presented by the immigration committee stood up against all attacks. A motion to recommit so that the provision relating to conviction in state courts might be eliminated, was defeated and the measure was put through as framed, 222 to 73. Warning was sounded to prohibit contests by many members including Representative Mann, Republican, Chicago, that they were going too far, that there was danger of disrupting the whole system of law enforcement and that jurors would be unwilling to convict those who ought to go to jail if it also meant deportation.

MOTION TO CENSURE
GOVERNMENT LOST IN
HOUSE OF COMMONS

Combination of Opposing
Factions Fails to Avert
Defeat

(By The Associated Press)
LONDON, April 5.—Altho Laborites and Independent Liberals voted with the "die hards" the motion of Sir William Joysoun-Hicks censuring the government of commons leniently and acrimoniously tonight was overwhelmingly defeated. No division was taken on the motion but the amendment of the Coalition Unionists was carried 288 to 95. Austen Chamberlain the government leader declared that the government was anxious for a vote. Lord Hugh Cecil violently assailed the government generally and Mr. Lloyd George and Mr. Chamberlain particularly declared that their actions and failures were endangering the country's safety. He and Mr. Chamberlain had several sharp tilts. "If the government cannot follow their political principles they should resign," Lord Hugh cried and added that he feared the discredit of Britain had affected its commercial reputation throughout the world. Mr. Joysoun-Hicks disavowed any intention of a personal attack on the prime minister or his colleagues. "Neither do I attack the premier's principles," he continued. "What I object to is the application of liberal principles to conservative policy." Ronald McNeill in seconding the motion, argued that it was necessary in Great Britain's democratic system to conduct politics on party lines.

TWO INDICTED ON
BRIBERY CHARGE

(By The Associated Press)
CHICAGO, April 5.—M. J. Doolin and Fred Albright were indicted today on charges of attempted bribery within an hour after a new special grand jury to investigate recent union labor trials had been impaneled.

OLD FASHIONED
DANCES AN ANTIDOTE

Chicago, April 5.—The old fashioned dances are to be used as an antidote to the modern steps inspired by jazz music in Chicago schools, Peter A. Mortenson, superintendent of schools announced today. He said that two demonstrations of the steps of long ago will be held in two Chicago schools in an effort to revive interest in the old dances which he described as the real artistic steps later supplanted by modern dances thru the influence of jazz music.

OLD TIME COMEDIAN
DIED IN NEW YORK

New York, April 5.—William Sampson, 64, actor known to Broadway theatergoers for a quarter of a century and once leading comedian with Augustin Daily, died today after a brief illness.

LEWIS PLEADED
WITH ATTITUDE
OF COMMITTEE

Believes Sincerity in
Matter Shown by
Workers

(By The Associated Press)
NEW YORK, April 5.—John L. Lewis, president of the United Mine Workers established temporary strike headquarters in New York today to await the outcome of the house labor committee's invitation to bituminous coal operators to join the miners in a wage conference at Washington. While awaiting further advice from Congressman Nolan, chairman of the house committee, Mr. Lewis announced he would attempt to hasten negotiations for settlement of the Anthracite strike through the miners' and operators' sub-committee on wage contract negotiations here. Referring to reports from Washington that operators of Ohio and Indiana had sent telegrams to Mr. Nolan declining to meet with the miners, Mr. Lewis said: "I have not received any official notification. I can only reaffirm our willingness to negotiate with them." Mr. Lewis appeared well pleased with the attitude taken by the congressmen toward his presentation of the miners case and stated that the workers had established their sincerity of purpose at the hearings in Washington. "Our position remains unshakable," he said. "There also seems to be a sympathetic response on the part of the public to our efforts to settle peacefully our controversy with the operators."

Whatever may be the reply of the operators to Congressman Bland's proposal, the miners will continue to keep their maintenance men in the mines in accordance with the pre-strike agreement, Mr. Lewis stated. He vigorously denied reports that, unless the bituminous operators agreed to a conference the union men would withdraw from the collieries all engineers, firemen and pumpmen detailed to protect property while the strike is on.

The strike, both in the bituminous and anthracite fields is effective 100 percent, Mr. Lewis said. "The strike rapidly is being extended into non-union territory," he asserted. Miners' delegates to the sub-committee on wage scale negotiations tonight continued to present data in support of their claims for a 20 percent increase wage of \$5.20 a day for straight time workers.

STYMIE RESTORED BY
EXECUTIVE COMMITTEE

(By The Associated Press)
NEW YORK, April 5.—Restoration of the stymie, banning of the steel shaft clubs from tournament play and decision to charge admission to all championship tournaments were among decisions announced today by the executive committee of the United States Golf association. In restoring the stymie, the committee makes the American game in this respect uniform with the Royal and Ancient play of Great Britain. The stymie was abolished in January 1921. The committee says the stymie "belongs in golf" because "it represents the most scientific phase of the game."

In preventing the use of steel shaft clubs, the committee feels that it has nipped in the bud an instrument that the best friends of golf thought would be injurious to proficiency in play.

FLEET CORPORATION
WILL OPEN OFFICES.

WASHINGTON, April 5.—The emergency fleet corporation of the shipping board within a month or six weeks will open a series of offices throughout the middle west for the development of ocean freight trade. It was announced today. For the present offices will be maintained in Cincinnati, Memphis, Kansas City, Chicago, Detroit and Minneapolis. The managers of these offices will report to a central head in Washington.

ARBUCKLE TELLS HIS
STORY OF PARTY IN
SAN FRANCISCO HOTEL

Comedian Says That His Act Toward Virginia Rappe Was One of Mercy and Not of Evil Intent—Denies the Story of Offering Money for Key to Miss Rappe's Room

(By The Associated Press)
SAN FRANCISCO, Calif., April 5.—An act of mercy and not of evil intent toward Miss Virginia Rappe was the thing which precipitated Roscoe C. Arbuckle into the maze of difficulties leading to a manslaughter charge against him as a result of Miss Rappe's death, he testified today in his third trial on the charge. "I found Miss Rappe ill on the floor of my bath," he said, in describing incidents of the Hotel St. Francis party in which, according to prosecution allegations, he fatally attacked her. "I asked her if I could help her and carried her to a bed. Later I told the other guests of the party that she was ill. Still later I called a physician to attend her." Arbuckle's testimony occupied three hours, the cross examination consuming two thirds of that time. He explained that he came to San Francisco two days before the fatal party purely for pleasure. "I had a new car to try," he said. "Later I was going to the golf tournament at Del Monte." He denied acquaintance with several guests at the party but Miss Rappe he said he had known for five years. He also denied acquaintance with Jess Norgaard, who testified that while he was a watchman at a motion picture studio, Arbuckle attempted to bribe him with a "first full of greenbacks" for a key to Miss Rappe's room at the studio. Arbuckle detailed the incidents of the party saying he had no knowledge that Miss Rappe was in his room when he entered to dress for another engagement. He acknowledges the presence of liquor in generous quantities and his appearance in pajamas and lounging robe. The only throat vocal or otherwise at the party was uttered by himself when he told Mrs. Bambi Maud Delmont to "shut up or I will throw you out of the window," he said, adding that it was because she opposed his efforts to aid the suffering Miss Rappe.

PRICE OF CEMENT
IS RAISED IN BIDS
MADE TO THE STATE

Range from \$1.40 to
\$1.50 Per Barrel
at Mills

(By The Associated Press)
SPRINGFIELD, Ill., April 5.—Contracts for 2,705,000 barrels of cement which with 900,000 barrels previously purchased, will be sufficient according to high officials to construct miles of hard roads contemplated this year by Governor Small were awarded by the department of public works today. Department officials said the contracts were awarded on the basis of the March 24 bid "which ranged from \$1.40 to \$1.50 per barrel net at the mills." The actual cost of the cement purchased today will range from \$1.77 to \$2.03 per barrel delivered at the various county seats, and will average \$1.90 delivered, officials said. In its formal announcement of awards the department omitted all mention of prices, officials announcing that the difficult task of reducing the figures to definite averages and actual prices had not been completed. "The 'delivered' prices varied widely," they said in explaining the range. Governor Small's recent ultimatum to the cement companies was for a price of \$1.30 per barrel net at the mills. Eight Portland cement companies were awarded contracts. They and the number of barrels each is to furnish follow: Alpha, 400,000; Atlas, 300,000; Cape Girardeau, 60,000; Lehigh, 500,000; Missouri, 200,000; Sandusky, 200,000; Universal, 800,000; Indiana, 247,000.

MAN WHO WENT TO TRIAL
ALONE IS ACQUITTED.

CAIRO, Ill., April 5.—Abbott Jourdan of Benton, who Monday proceeded to Cairo to face trial unaccompanied while the marshal in charge left the train at Carbondale in pursuit of two prisoners, who escaped, was acquitted by a jury in federal court today of a charge of stealing from interstate shipments. The men who escaped, Alfonso Kartes and Homer Appleton, were charged jointly with Jourdan and Kartes also was charged with complicity in a \$50,000 robbery at Vandalia several months ago. Glen Fitzgerald, of Herrin, today pleaded guilty to complicity in the Vandalia robbery and was fined \$200.

WELL KNOWN NEGRO
EDITOR DIES

Baltimore, April 5.—John H. Murphy, publisher of the Afro-American for the last 25 years and one of the best known negro editors in the country, died today aged 81. He was a veteran of the Civil War and a prominent layman of the African Methodist Episcopal church.

Worse and more of it! One of the experts who testified so generously in behalf of Harry K. Thaw when he was on trial for the killing of Stanford White is now one of the specialists for the defense in Fatty Arbuckle's third trial.

The story that farm land in Illinois has sharply depreciated in value was evidently all wrong. A tract of land near Litchfield sold the other day for \$1,000 an acre. And be it remembered that Montgomery county is not famous for the quality of its soil.

All the talk about the uncertainty as to the road building operations in this state this year should disappear. Announcement was made yesterday that the state had authorized the purchase of more than 2,000,000 barrels of cement for road construction purposes. This, with the amount already purchased, is sufficient for a thousand miles of road building. Evidently this road building work is to move along unceasingly.

One of the stories that has come out of soviet Russia is that the wheat acreage for 1922 will be about 50 per cent less than that common in the years prior to the war. This is important to the agriculturists and grain dealers if true, but the trouble is that there is no dependence to be placed in the stories that come from Russia in its present disorganized state.

The interest in good roads is not limited to District No. 7. The stories of the elections in practi-

cally all the districts of the county afford proof that the people these days look upon the road improvement question as one of paramount importance. It has taken some years to create that interest, but now it is here to stay and highway conditions will steadily improve for that reason.

Extreme modesty will not obstruct Mr. Levin's pathway. He compares his qualities with those of Lincoln.

Men in the bureau of engraving at Washington who were summarily discharged by an executive order of President Harding have demanded an explanation. Now demanding an explanation from the President of the United States is one thing and getting it is another. The probabilities are that if the explanation is given that the discharged employees will regret that they did not hold their peace.

The voting of 4,042 people in ten hours' time in one polling place has established a world record. When Morgan county people want to, there is no trouble about their leadership.

When moving pictures are shown at the Jacksonville high school the big auditorium is thronged. No better proof could be afforded of the important place that moving pictures can have in educational work. There is proof too that the public has a taste for screen productions that are elevating and worth while and can enjoy stories that are not woven from "sex stuff."

A study of the result of the road elections in Morgan county shows that the people can be aroused to the importance of going to the polls in purely local elections and voting for men they think best qualified.

The county board thru the Superintendent of Highways will maintain about two hundred miles of main road in the county and will do it well. If the commissioners elected Tuesday will co-operate with those officers there will be a decided improvement of the county highways and also lower taxation for road purposes.

The board of education election to be held Saturday should be kept in mind. The only candidates whose petitions have been filed are: For President, Dr. Carl E. Black; for Members, Henry Mehlhausen, T. H. Rapp and Mrs. Ella Carriel Roberts. The polls will be open from 12 o'clock until 5. While it is not likely that any opposition to these candidates will develop, patrons of the schools should make certain their election by going to the polls. Three of the candidates have been serving on the school board with admirable efficiency and Mrs. Roberts can be counted upon to keep the best interests of the school system paramount.

Mrs. Catherine Morrison of 713 West North street has returned home after spending the winter in Minneapolis, Minn., with her brother, Newton Mullady, who has been ill, but at present is convalescing.

CARD OF THANKS

We desire to express our sincere thanks to many friends for the kindnesses shown during the illness and after the death of Mrs. Clara D. Harrison. These kindly acts will never be forgotten. THE CHILDREN.

SUNDAY SCHOOL WORKERS MET

State Street Sunday School Regular Meeting Held—Officers for Year Are Chosen.

The Sunday School workers of State Street Presbyterian church met in regular monthly session at the church Wednesday evening.

An excellent supper was served at 6 o'clock by the Happy Hour Class with Mrs. Dorothy Woolsey, Mrs. M. Denny and Miss Violet Davis in charge. The business meeting followed. The following officers were chosen for the ensuing year:

Superintendent—T. M. Tomlinson.

Assistant Superintendent—P. V. Coover.

Treasurer—A. G. Leedy.

Secretary—Thompson Brady.

The following report was made by Treasurer Leedy:

Total receipts \$513.83

Disbursements:

Morgan Co. S. S. Assn. \$22.70

Sabbath School Supt. 212.68

Song books 75.00

Miscellaneous 55.09

Older Boys' Conference 20.00

Christmas Ex. 50.60

Books and magazines 18.29

Total \$514.36

Balance 59.47

Other funds:

Children's Day \$13.11

Rev. C. M. Eames 46.85

Southern mountaineers 22.80

Sunday school missions 13.68

For boys and girls of Syria and Persia 18.14

Point Barrow, Alaska 15.77

Benevolent account 60.04

Totals \$190.39

I. C. GIRLS HELD

FIRST INDOOR MEET

Juniors Romped Away With the Championship—Much Excitement Prevalent During Contest

In the Illinois College first annual indoor track meet for girls, held in the college gymnasium yesterday afternoon the Juniors romped away with the championship just as the Juniors had done in the first annual indoor meet for men held a week ago.

The victory of the Junior girls was due principally to the prowess of three girls. Louise Struck was the high point winner and also for the meet with a total of eleven points, nine of which came as the result of winning firsts in the dash, hurdles and running high jump.

Louise Nautz was a close second with 8 points and Irene Groves contributed the remaining 3 points for the Juniors, making their total 22.

Second place in the meet went to the Freshmen who scored 10-1-2 points. Esther Negus, Helen Cleary and Ruth Clemens were their point winners in addition to the team which won the relay race by a big margin.

The Senior girls finished third with 4-1-2 points due to the successful efforts of Gladys Knapp and Alice Bray.

The Sophomores were given a real coat of white wash with not a single point in their win column. They tried valiantly but they were not able to score.

This meet is the forerunner of other contests to be arranged for the college girls. An outdoor track meet will be held during May.

Judges of the events were: William Russell, Prof. Ames and Prof. Guffid.

The summary:

20-Yard Dash:

1st—Louise Struck, Junior.

2nd—Esther Negus, Freshman.

3rd—Gladys Knapp, Senior.

Time 2-3-5 seconds.

Running High Jump:

1st—Louise Struck, Junior.

Tied for 2nd—Alice Bray, Senior and Louise Nautz, Junior.

Height—3ft. 9 3/4 inches.

Throwing Basket Ball:

1st—Ruth Clemens, Freshman.

2nd—Gladys Knapp, Senior.

3rd—Irene Groves, Junior.

Distance—56 ft. 5 inches.

20-Yard Hurdle:

1st—Louise Struck, Junior.

Tied for 2nd—Louise Nautz, Junior and Helen Cleary, Freshman.

Time—3-3-5 seconds.

Obstacle Race:

Louise Nautz, Irene Groves and Louise Struck, all Juniors, won qualifying heats and having no opposition the final race was not run.

Standing Broad Jump:

1st—Louise Nautz, Junior.

2nd—Louise Struck, Junior.

3rd—Esther Negus, Freshman.

Potato Relay Race:

1st—Freshman, Dorothy Farrell, Helen Cleary, Esther Negus, and G. Smith.

Time—2 minutes, 53-2-5 seconds.

MATRIMONIAL

Taylor-Nagle.

The marriage of Miss Georgia Nagle of Patterson and Kenneth A. Taylor of Roodhouse, was solemnized here Wednesday afternoon. Rev. M. L. Pontius, pastor of Central Christian church, officiating.

The bride is a daughter of Mr. and Mrs. W. L. Nagle of Patterson and graduated from the high school in her home city.

Mr. Taylor, who is a son of Mr. and Mrs. Leslie Taylor, is a farmer by occupation. He was at one time a student at Brown's Business college here and has a great many local friends. The young people are members of well known Greene county families and a great many friends will join in wishing them happiness and prosperity.

F. V. CORREA SALE HELD WEDNESDAY

Disposed of Livestock at Residence, 865 East State Street—Good Prices Prevailed.

F. V. Correa held a sale of livestock at his home, 865 East State street Wednesday afternoon. L. L. Sealey of White Hall was the auctioneer while S. J. Camm served as clerk. Good prices prevailed and the sale totalled about \$2,300. The Passavant Aid of Central Christian church served the lunch. Some of the prices and buyers are given hereunder:

Walter Hubbard, cow, \$87.

George Fox, cow, \$76.

G. S. Beekman, cow, \$70.

Frank Waltman, cow, \$70.

W. S. Rice, cow, \$60.

W. L. Morris, cow, \$58.

Harold Hague, cow, \$56.

Thomas McGinnis, cow, \$51.

James Arnold, cow, \$41.

John Moxon, cow, \$61.

George Anders, cow, \$55; one at \$48.

George Roach, three cows at \$40, \$43, and \$42, respectively.

C. C. Davis, cow, \$66.

John Tobin, cow, \$45.

L. L. Lewis, cow, \$67.

J. W. Arnold, bull, \$71.

John Hembrough, bull, \$40.

Walter Wheeler, bull, \$49.

John Moxon, two sows at \$40 each; one at \$36.55.

Frank Ryan, two sows at \$37.50 each.

John Friend, sow at \$36.

William Doolin, 52 pigs at from \$7.50 to \$8.40.

HARRY S. KRAMER IS WELL KNOWN HERE

The Illinois Banker makes the following editorial reference to Harry S. Kramer, vice president of the First National Bank of St. Louis.

Harry S. Kramer.

Louis, who is one of the candidates for the Democratic nomination for state treasurer.

"Harry S. Kramer, vice president of the First National Bank of East St. Louis, is a worthy candidate for the Democratic nomination as state treasurer of Illinois. Bankers over the state will be interested to learn of his candidacy.

Mr. Kramer is Illinois born, a native of Wayne county and aside from a trip to the Klondike region in Alaska, which has given him a good deal of interesting experiences to think over, has always lived in his grand old state. He has been a member of the East St. Louis board of education for twenty years and is at present a member of the board of trustees of the East Side Levee and Sanitary District, one of the largest levee districts in the United States. He has been with his bank for seven years and is a real banker, first, last and all the time. His experiences in life, both business and personal, eminently fit him for the position."

The Springfield Register, a Democratic paper, says: "He is a man whose ability, reputation, character and purpose commend him to all good citizens. His party should nominate him."

FUNERALS

Eyre.

Funeral services for Mrs. Frank Eyre were held from Riggsom M. E. church at 2 o'clock Wednesday afternoon in charge of the Rev. Mr. Palmer.

Music was furnished by the choir of the church. The many floral offerings were cared for by Alma Jones, Ruby Upchurch, Amy Hester and Nettie Coultas.

Burial was in Kinsaid cemetery the bearers being, Roy Coultas, Glenn Coultas, Russell Hester, Elbert Rutherford, John Green and Lawrence Murray.

Mrs. L. D. Allen of Chicago is in the city called by the illness of her mother, Mrs. Jennie Walker, 429 South Church street.

Misses Mamie and Dovie Corington of Prentice were city shoppers Wednesday.

Bridge Bombed By Sinn Feiners

The Moyola Bridge was partially destroyed by bombs in a series of raids made by Sinn Fein forces at Maghera, County Derry.

CHILDREN'S PARTY GIVEN AT WOODSON

Birthday Party for Little Daughter of Mr. and Mrs. J. Chester Colton—Other Woodson Items.

Woodson, April 5.—Mrs. J. Chester Colton entertained a small group of children and their mothers Wednesday afternoon, the party being in honor of the fourth birthday of her daughter, Claire Lynette Colton. The house was prettily decorated for the occasion, yellow and white being the predominating tones in the house decorations and also in the dainty refreshments which were served by Mrs. Colton, assisted by Mrs. Howard Rawlings and Mrs. William Colton. A large birthday cake bearing four lighted candles was in interesting feature of the occasion.

A candy egg contest was one of the entertainment features of the afternoon and there were various games and contests, all of which were greatly enjoyed by the children. Claire Lynette was the recipient of a large number of very nice gifts. The little guests were Ladora Smith, Nylene Sturdy, Doris Steinmetz, Margaret Frances Newman, Charlotte Newman, Lulu Adams, Edna Henry, Loraine Rawlings, Elizabeth Owings and Frank Powell.

News Notes.

Mrs. W. W. Carter and Dr. Carter of Jacksonville called Wednesday on Mrs. Lena Carter at the home of her parents, Mr. and Mrs. E. N. Adams, in Woodson.

Mrs. T. M. Whitlock of Manchester visited friends here Wednesday.

The Missionary society meeting which was to have been held Thursday afternoon at the home of Mrs. C. C. Self will instead be held at the home of Mrs. J. H. Shirley.

Harry Cain, C. C. Thurston.

Pisgah—G. M. Mosely, William Buchanan, Jr.

Prentice—Carl Weakley, Clyde Lewis.

Sinclair—Albert Wilson.

Jacksonville—Leo Hegarty, Albert Metcalf, E. A. Schoedsack, Ernest Nemes, Edward Bronnan, J. E. Kelly, R. H. Mann, Charles Desha, S. T. Erickson, Clarence Swaby, Harry Salby, Earl Wiswell, P. G. Stein, C. V. Frankenberg, R. T. Cassell, William Carson, John Hopper, W. T. Scott, A. C. Reid.

AN OLD LETTER.

In looking thru some old papers recently Julian Hall found a letter written by John Hossack of Ottawa, Ill., May 10, 1869, to his father, the late John W. Hall.

This letter, written fifty-three years ago, mentioned that the writer had seen a plow bearing the Hall manufacturers' mark at the station in Ottawa and was so well pleased with its appearance that he wished to secure one.

The plow was evidently of a different type than those usually offered for sale and Mr. Hossack wished to secure one for use on his farm in Livingston county.

WAS MARRIED

AT HANNIBAL

John Fortado and Miss Marguerite DeOrnellas, both of this city were united in marriage at Hannibal recently. They were given a charivari by about fifty of their friends Wednesday evening. The groom is a farmer. His bride is the daughter of Stephen DeOrnellas, who now resides in Missouri.

LICENSED TO MARRY.

Kenneth A. Taylor, Roodhouse; Georgia Nagle, Patterson.

How an EXPECTANT MOTHER Prepared for Baby's Coming

DO YOU know that thousands of women never really suffer at child-birth? Perhaps you have thought with many others that this should always be the case. But how?

Let Mrs. Mattie Paul, of Ocilla, Ga., tell you. She is one of thousands who has demonstrated this fact:

"As I am a young mother of one baby, I am writing for free booklet to 'expectant mothers.' I used only two bottles of Mother's Friend before I was confined and had a quick and easy time through labor. I can recommend Mother's Friend to all expectant mothers. I will never go through pregnancy without it."

It goes into the features of maternity and gives, in a plain, interesting manner, information about what the mother needs in clothing before baby is born; what clothing will be necessary for the baby; an interesting table as to the probable date of delivery; simple but necessary and helpful rules of hygiene to follow, and much other worth-while information. This little booklet also tells about Mother's Friend and the wonderful good it is doing for expectant mothers.

You, too, can have this booklet for expectant mothers by sending coupon below.

WARNING: Avoid using plain oils, greases and substitutes—they act only on the skin and may cause harm without doing good.

MOTHER'S FRIEND

RESIDENT OF NORTH VISITS MURRAYVILLE

Mrs. Grace Russel of Lakota, N. Dakota, Visiting Murrayville Relatives—Other News From Murrayville.

Murrayville, April 5.—Mrs. Grace Russel of Lakota, North Dakota, has been visiting her mother, Mrs. Mary Wright and other relatives here for some time past. She has now gone to White Hall for a short visit and then expects to return to her home in the North. She was accompanied to White Hall by her mother.

Harold Cunningham had the misfortune to lose one of the chains from his car Tuesday while assisting at the polls.

Mr. and Mrs. C. N. Wright of near Manchester visited Mr. Wright's sister, Mrs. J. K. Cunningham and family Tuesday afternoon.

Relatives here have received word from Mr. and Mrs. Irvin Jones of near Arvilla, N. D., that the house in which they lived and all the contents had been destroyed by fire recently.

The W. F. M. S. will hold a market Saturday afternoon in the town hall.

E. K. Fuller, who is working at the state hospital spent Saturday night and Sunday with his family.

Mrs. Meda Andras of Manchester spent Tuesday with her mother, Mrs. C. F. Strang.

C. A. Boruff, of Jacksonville visited his parents Mr. and Mrs. John Boruff, Tuesday night and Wednesday.

Walter Patterson visited his son, Leonard and family in Rood-house Tuesday.

Mrs. C. J. Vaughn of Jacksonville spent Saturday night and Sunday with home folks.

B. F. Spencer has recently returned from Hot Springs, Ark., and is a guest of his son, Dr. J. H. Spencer and family.

Rees Jones is slowly recovering from the flu and is able to be out some, but is very weak still.

We solicit your ice orders and assure you prompt and courteous service.—WALTON & CO. Phone 44.

REVIVAL SERVICES GROWING IN INTEREST

Large Audiences Assemble Nightly to Hear Dr. Sears at Northminster Church.

Another large audience was present last night at Northminster church, when Dr. H. W. Sears spoke on the subject "Strength."

The song service which preceded the sermon was the best of the series thus far, all entering heartily into this part of the service.

Among other things Dr. Sears said: "Strength is the need of the church today. We need strength to do the work of the Lord. In the very smallest things in the kingdom we need strength in order that they may be done according to God's will. There are many little things in the affairs of the world but none in the Lord's work. Even a cup of water given in His name verily it shall have its reward."

"We need strength for fighting. The walls of Jerusalem were rebuilt with prayer, work and fighting. We do not need less praying and working but we need more of the fighting—fighting the devil and the forces of sin, and sin is thick and mighty in Jacksonville; us buckle on our armor and fight."

"We need to have our strength renewed and that is one of the purposes of this revival. Everything in this world needs renewing. We need the power of the Holy Spirit to make us strong in His might and power."

"We need strength for the mind. Unless you replenish your mind you will be a back number, and unless you replenish your spiritual power you will become a cold, good-for-nothing church member."

"The need of this city and your church is to have their spiritual strength renewed, renewed from the proper sources. You are renewing your social life all the time. But you can not renew the soul with these social things. God will have to make another plan of salvation if some in Jacksonville are ever saved. He will not make a plan based on social things. You are going to hell by the society way."

"There will never be a revival in Jacksonville until the church people get back to God and have their spiritual strength renewed. 'Not by might, nor by power, but by my Spirit, saith the Lord.'"

THANK YOU
I desire to thank those persons who voted for me, and who aided in my election as commissioner of Road District No. 8, and assure you that it will be my constant effort and study to give you the best possible service at all time.

WILL MEET FRIDAY.
The South Side Circle will meet with Mrs. E. L. Kinney Friday afternoon.

EASTER MILLINERY OPENING TOMORROW and FRIDAY
We will feature an entirely new line of Gage, Fisk and Vogue Hats.

THE PROBLEMS OF THE C. P. & ST. L.

The troubles of the C. P. & St. L. R. R. are thus described by Mr. Bowen in the State Journal:

Every tender-headed man must sympathize with Mr. Hurst, who is running the C. P. & St. L. railroad under about as great difficulties as ever beset a managerial officer.

The road has been in the hands of a receiver for a number of years; in fact, for the greater part of its existence, it has been in financial distress, due to its limitations in a territory that does not produce enough traffic to sustain operations.

Since the government released its railroad nursing service and this road has been compelled to stand alone, it has been gradually approaching a crisis. When the coal strike became a reality, Mr. Hurst determined upon drastic economies. He ordered all passenger trains, in excess of one each way to be taken off. This act aroused the interest of the towns on the road and they hastened to the State Commerce commission which promptly rescinded Mr. Hurst's orders and instructed him to continue to operate all trains.

Mr. Hurst does not care to be arbitrary or contrary; indeed, he is the most accommodating and courteous of men, so he calmly submitted and told the boys to continue to run the trains.

Of course some day the end will be reached. If the strike lasts long Mr. Hurst will be without coal. If earnings do not suddenly increase and materially, other economies not yet attempted will be necessary. The State Commerce commission and the public dependent upon this road will have to take cognizance of a situation that is serious.

Many of the towns on the C. P. are without other railroad accommodations. If it should cease operations, they would be isolated. Other towns are dependent upon the C. P. for service in two directions. They may possess railroad outlets in other directions. To use them to reach Springfield, St. Louis or Peoria would involve long detours and much loss of time.

The C. P. operates in a rich country; none richer, in fact, in Illinois, but the traffic that originates in that territory, has not been sufficient to maintain an independent railroad of such limited mileage.

The people and the industry of this section are now beginning to realize that the problem of the C. P. & St. L. is a part of their own troubles.

LARGER INTEREST IN BUILDING HOME

Chamber of Commerce Committee Will Assist Building and Loan Association.

The workings of a modern Building and Loan Association was explained last night by officials of the Jacksonville Savings and Loan Association, to the special Chamber of Commerce committee appointed to assist in securing investors to enable the local association to finance home building in Jacksonville.

It was brought out at this meeting that within the past few weeks three new houses were financed by the Loan association as a result of the interest aroused recently by Forum meeting and subsequent discussion in the building and loan idea.

It was pointed out that if 100 investors were secured each paying to the association the sum of \$10 per month it would permit the loaning of \$1,000 per month for new homes.

Officials of the savings and loan stated that any qualified contractor would be recognized by them as would any lumber yard or supply store in the building of houses on which they are requested to make loans.

The committee to assist in securing more investors is as follows:

W. E. Sullivan, Harrison King, John W. Larson, J. S. Hackett, Chas. Fiedler, J. F. Claus, Merle Cain, Moses Meyer, Abe L. Wood, W. B. Rogers, W. H. McCarthy, Wm. Pay, Jr., Joseph Estaque, Ellsworth Wells, Wm. Goebel and Wm. Florenz Jr.

This committee is not to make a canvass for investors but is to work among associates and friends.

DAVIS SWITCH.
Born to Mr. and Mrs. James Tribble living one mile north of Woodson, a son, James Henry.

Mr. and Mrs. Charles Lewis and daughters of Jacksonville spent Sunday with their parents, Mr. and Mrs. Irvin Sheppard near Woodson.

Mr. and Mrs. Allan Russell of east of Woodson spent Sunday with Mr. and Mrs. Thomas Butler.

Mrs. J. H. Dewee and son Russell were recent shoppers in Jacksonville.

Mr. and Mrs. Samuel Butler and Mr. and Mrs. Porter Bell were recent Jacksonville visitors.

Mrs. P. J. Crotty and daughter were shoppers in Jacksonville recently.

PLANS PROGRESSING FOR CLEANUP WEEK

General Chairman Caldwell Has Selected Personnel of Committee — Children Also Enthusiastic.

General Chairman, Lee Caldwell of the Clean Up and Paint Up Campaign has practically completed plans and has selected the personnel of the committee to stage this movement which will open April 17th. It is planned to have the committee meet this afternoon with representatives of the Boy Scouts, Kiwanis and Rotary clubs, Woman's club, Social Service League and other kindred organizations, and at this time the plans already outlined will be completed.

The movement is already underway in different parts of the city and many people are putting in their spare time giving their grounds and premises a general overhauling. By the time the campaign gets under way cleaning up and painting up will be the popular outdoor sport of the season in Jacksonville.

A few days before the campaign opens a mass meeting of all the workers will be held and at this time the workers will be allotted their tasks. It is fully anticipated by the Chamber of Commerce and other organizations interested in the movement, that the campaign will be a successful one. The work in the schools is progressing well and the children are becoming enthusiastic over the idea of a big Spring House Cleaning for Jacksonville.

P. F. Wolfe was a business caller in Jacksonville yesterday from south of the city.

Relieves Rheumatism
Musterole loosens up stiff joints and drives out pain. A clean, white ointment, made with oil of mustard, it usually brings relief as soon as you start to rub it on.

It does all the good work of the old-fashioned mustard plaster, without the blister. Doctors and nurses often recommend its use.

Get Musterole today at your drug store. 35c and 65c in jars and tubes; hospital size, \$3.00.

FORMER SERVICE MEN ARE GOING BACK TO FARM

Secretary Fall Says 100,000 Applications Are Received

(By The Associated Press) WASHINGTON, April 5.—Evidence of the desire of former service men to go back to the farm is constantly reaching the interior department. Secretary Fall announced today adding that more than 100,000 such applications have been received for land.

"The correspondence is largely from farm trained men who are not appealing for a gratuity," he said, "but are seeking an opportunity to acquire a home on the land by utilizing their labor and experience."

"It is significant that the bulk of these inquiries generally come from states wherein the prices of land have reached such heights that opportunities of men with small capital to acquire a home are extremely limited. Among these states, Illinois ranks first, with 18,600 inquiries and applications for land."

"Farm land prices in Illinois average among the highest in the union. Conditions are much the same in Indiana, Ohio, Iowa, Missouri, Kansas and Nebraska, where land hunger on the part of the war veterans is shown by 45,626 inquiries received. Of these 25,900 made application for work in order to secure a home."

"In Michigan, Wisconsin, Minnesota and the Dakotas there are 14,450 veterans who have indicated a desire to obtain a farm home."

The reclamation service, Secretary Fall said, during the past two years has been able to offer former soldiers only 490 farms although 50,000 inquiries were received and 7,840 service men applied for farms.

WOMEN DON'T HAVE TO PROMISE TO OBEY

(By The Associated Press) NEW YORK, April 5.—Recognition of the changed status of women by striking from the Episcopal marriage ceremony the promise to Obey and eliminating the compulsory giving in marriage, was proposed by the commission on revision of the book of common prayer in a report made public tonight. Gaining equal rights with men in their marriage vows the women would lose a special privilege now accorded them. For the report also provides for striking out the bridegroom's pledge, "with all my worldly goods I thee endow."

NO BOOM UNTIL THERE IS RADICAL CHANGE

(By The Associated Press) CHICAGO, April 5.—The middle west cannot expect a boom in business unless there is a radical change in the transportation system of the country. Herbert Quick, author and economist said in an address today in connection with the celebration of the one hundredth and fourth anniversary of the signing of the Rush-Bagot treaty between the United States and Canada.

The culture and business life of the Mississippi Valley now hinges on the immediate development of the St. Lawrence Waterway project Mr. Quick said and added:

"If a business boom came tomorrow the railroads would be absolutely unable to handle it. Business in the middle west is at the testing point. Unless we do something radically different soon the Midland country must prepare for a general settling in to a pastoral future."

HEART OF FORMER EMPEROR REMOVED.

FUNCHAL, Madeira, April 5.—The heart of former Emperor Charles of Austria-Hungary was removed last night. It will be sent in a glass jar inclosed in a silver casket to Austria.

The present intention is to send the body to Hungary. All business was suspended today for the funeral of Charles. Large crowds lined the route of the procession to the church. The local authorities and King Alfonso of Spain sent wreaths to be placed on the casket. The floral piece of Alfonso contained a ribbon on which was inscribed the words "from Alfonso XIII to Charles of Hapsburg."

Former Archduke Felix, son of Charles, was reported today as improving.

MINING TOWN ELECTS WOMAN FOR MAYOR.

GALENA, Ill., April 5.—Penton Wisconsin, a mining town near Galena, has elected Attorney Isabelle Quinlan as mayor. Dr. Pearl Bent, another woman, was elected a member of the village board.

DAY WILL RELATE STORY OF KILLING TO CORONER'S JURY

Says HH's Wife Will Also Take Stand at the Inquest

(By The Associated Press) OKLAHOMA CITY, Okla., April 5.—Jean P. Day's story of the killing of Lieutenant Colonel Paul Ward Beck—a narrative of platonic friendship that overstepped the bounds when the army flyer was left alone early Tuesday morning with the wife of his host in the fashionable Day home and which ended when a revolver in the hands of Day crashed on the head of Beck with fatal results—will be told at the coroner's inquest Saturday.

Day, wealthy oil operator and prominent attorney who is held under bond for the slaying declared tonight he would take the first opportunity to relate under oath how as he claims, he returned to his home, found his wife struggling in the arms of Lieutenant Colonel Beck who was attempting to assault her and they struck Beck.

Day said his wife also would testify.

Mr. Day, haggard from his experiences the last two days, re-enacted the tragedy at his home today. Hereafter that he came up the driveway yesterday morning after driving some party guests he looked thru the window and saw Beck struggling with Mrs. Day. In re-enacting the scene Mr. Day showed how he entered the house, went to an upstairs room, obtained his revolver, and returning searched out Beck who was hiding in the folds of a portier. He pointed out the spot where he confronted the army officer and showed how he struck Beck on the head, how the revolver exploded and how the officer fell.

County Attorney Hughes, who devoted the day to investigating the case declared there were numerous points "which do not jibe."

He said he was trying to determine if a fourth person might have been in the Day home when Beck was slain.

Mr. Hughes declared unless new evidence was brought out throwing a different light on the killing is only recourse would be to file either a murder or manslaughter charge against Day. Captain T. G. Lamphier, head of a military board, investigating the slaying came here today in an airplane with Captain Alexander Milan, Jr., and conducted a preliminary inquiry. The body of Lieutenant Colonel Beck will be sent to Washington this afternoon. Burial will be in Arlington National Cemetery.

MAN RUNS AMUCK TWO ARE KILLED

(By The Associated Press) CHICAGO, April 5.—Two men were killed and three wounded today when Charles Salfeld, a former employee of the W. A. Jones Foundry & Machine company walked into the offices and started shooting with two pistols. He was killed by the plant superintendent who opened fire in return.

The dead are Charles Salfeld and Chester Bergstrom. There were more than 40 persons, most of them women in the offices when Salfeld entered and started shooting. While the employees scrambled for cover, Florence Samuleson, a telephone operator remained at her post, although she was only 15 feet from the muzzles of the smoking pistols and sent in a call for police.

Meanwhile E. J. Powers, superintendent of the plant heard he shooting and obtaining a pistol from his desk rushed for the front office. He fired twice. Salfeld, according to members of the company had been crazed with the desire for revenge because of a court suit growing out of a business deal with an employee of the firm.

OPPOSE SEPARATE WAGE AGREEMENT

(By The Associated Press) PETERSBURG, Ill., April 5.—Opposition to a separate wage agreement for Illinois was expressed by the fourth Illinois sub-district miners' convention here today.

Delegates were unanimous in adopting the recommendation of their sub-district president, Freeman Thompson, who opposed a separate agreement in his report to the convention.

Sub-district 4 with a membership of 10,000, is on record as opposed to many of the policies of both International President John L. Lewis of the United Mine Workers and Frank Farrington, Illinois president. Although divided on the question of a separate wage scale Farrington and sub-district leaders are united in their hostile attitude toward Lewis in the Kansas controversy and the suspension of Alexander Howat, Kansas leader by the international president.

MAN AND WIFE SHOT BY SIX BANDITS

CHICAGO, April 5.—John J. Colby, proprietor of a delicatessen shop was shot and killed and his wife was seriously wounded today by six negroes who held up the shop, took \$500 and escaped in an automobile.

According to the police, the men entered the store and demanded money. Colby was shot when he resisted and his wife was shot when she rushed into the store from a rear room.

PICKING OF JURY RESTS WITH DEFENSE

(Continued from Page One) "I would not say just that," the court replied, "but the opinion of lawyers is that we need not raise this question of women jurors since the supervisors can comply with the intent of the law by putting ten percent of the entire voting list in the box."

"But they have presented opinions and arguments here holding that women can serve as jurors," Mr. Dady said.

"Well, I am not going to hold that way," the judge replied. Mr. LeForge interrupted the exchange to explain he had not the desire for women jury, but did maintain the jury list was defective unless based on the total voting list.

The court today entered an order directing Loren Griffin, cashier of Grant Park Trust & Savings Bank, through which part of the alleged conspiracy in state funds is said to have been carried on, to appear at 10 o'clock to explain why books of the bank, subpoenaed by the state for examination, had not been turned over to the state's accountants in response to the court order. James H. Wilkerson, assistant attorney general who asked for the order said he would move tomorrow that the books be attached, if they are not produced.

HOPE BUILDING INDUSTRY WILL CLEAN HOUSE

(By The Associated Press) CHICAGO, April 5.—Hope that the building industry will clean house without the necessity for government intervention was expressed in a message from President Harding read tonight at the annual banquet of the National Lumber Manufacturers' association. He expressed particular interest in plans looking toward restoration of normal cost basis, the elimination of waste and conditions which would promote building thru reasonable assurance that builders will not have their investments impaired "by reason of further disorganization in the industry."

NO CHANCE FOR OLD ARISTOCRACY

Chicago, April 5.—There is no chance for any element of the old autocratic order in Russia returning to power when the present unstable Bolshevik group "raggers and falls, Baron Sergius A. Korff declared in a speech at Northwestern University tonight. He indicated a belief that while the economic and political changes might be slow they will trend toward stability and betterment.

WILL NOT ALLOW KU KLUX KLAN PARADES

NEW ORLEANS, La., April 5.—Acting on the opinion of Attorney General Clegg, that Ku Klux Klan parades in any city, town or parish in Louisiana are in violation of a state law Governor John M. Parker tonight announced that he would attempt immediately to suppress the order in Louisiana as far as possible.

MILLER HUGGINS FINES MAY \$200.

BRISTOL, Tenn., April 5.—Miller Huggins, manager of the New York Yankees announced today a \$200 fine placed against Carl Mays, pitcher for insubordination. The trouble is the out-growth of an incident occurring in a game in Little Rock on Monday when Mays was batted out of the box by the Brooklyn Dodgers.

Mays, on being batted out of the box threw the ball over the stand and was reprimanded by Huggins for his pitching and his conduct. Ill-feeling between the two is reported to have grown until a break came.

Mays told newspapermen accompanying the team he would rather play independent baseball at a much lower salary than work for Huggins.

MAY USE MOVING PICTURES IN SCHOOLS

Chicago, April 5.—Plans to make moving pictures a part of the regular studies in schools were discussed today at the annual meeting of the Illinois division of the Motion Picture Owners' Association.

"Eventually movies will be more of an educational factor than an amusement," J. B. Di-belka, secretary of the association said. "We are fighting hard to clean up the industry and to get only films we may show without having to hang out the 'adults only' sign."

The meeting gave a vote of confidence to William Hays, official of the Motion Picture Producers' Association and his ability to clean up the industry.

WILL TRY TO SAVE JUDGEMENT TREE

Missouri Botanical Garden Will Try to Reclaim Tree Under Which Daniel Boone Conducted Court.

(By The Associated Press)
ST. LOUIS, Mo.—An undertaking to save the historic trees of St. Louis and vicinity has been begun by the Missouri Botanical Garden with a report on the "Daniel Boone Judgment Tree," and American elm, at Femme Osage, St. Charles county, about 55 miles west of here.

The tree stands upon a farm which was part of the land owned and tilled by Boone during his Missouri residence in 1820. It is named the "Judgment Tree" from the fact that Boone, as syndic (judge) for the district under the Spanish rule of Louisiana, was said to have held court under it during the hot days of summer.

Said to be less known than other historical spots in Missouri, the tree is in an almost impassable section and has been neglected, according to the Garden's surveying party which visited the spot.

An examination of the tree by G. H. Pring, horticulturist and head of the party, disclosed that the tree is rotting and that its life likely will end within the next dozen years unless it is put into the care of three surgeons. Pring said that if properly treated, the span of tree's life, already about 150 years, may be prolonged another century.

The tree is about 70 feet high and has circumference of 16 feet, 6 inches.

The tree stands about 75 feet from the old Boone home, the first stone house in Missouri and the house in which the famous pioneer settler died.

Only one relic accredited as coming down from Boone's day remains on the farm. It is an old griststone said to have been used by Boone himself.

WITH THE SICK

William Brown of 1333 South Clay avenue was taken to Our Savior's hospital Tuesday afternoon. Mr. Brown was up and around Sunday and on Monday he became somewhat ill and on Tuesday his physician, Dr. Reid recommended that he go to the hospital for treatment.

FRED SHANNON MADE ESCAPE LAST NIGHT

Made His Getaway When He Was Taken to Home of Mother on Account of Steptfather's Death

Fred Shannon who has been held in jail to await the action of the grand jury on the charge of shooting Paul Blue made his escape about 7:15 o'clock Wednesday evening.

Shannon's step-father, Martin Pierson, died Wednesday afternoon and Shannon requested permission to go to the family residence, 322 Anna street. Shannon was taken to the home of his mother by Deputy Sheriff Roach.

He apparently was very tractable and was allowed to step into the room where the body lay. Not returning within a reasonable time the officer followed into the room but Shannon had made his escape thru a window.

An alarm was immediately given and members of the sheriff's force and also the night police force started out and made a search of the city but no trace of the escaped prisoner had been found at an early hour this morning.

FORMER PEORIA MAN IS FOUND GUILTY

(By The Associated Press)

LOS ANGELES, Calif., April 5.—Joseph Studer, formerly a physician of Peoria, Ill., tried for the murder of his mother, Mrs. Elizabeth Stude, at their home here last September, was convicted of manslaughter by a jury in superior court tonight.

The jury deliberated six and a half hours. Sentence will be imposed Friday.

Studer was accused of shaking his mother while he was angry and then pushing her down a short flight of steps inflicting injuries which caused her death. He contended she was taken suddenly with a fainting spell, clutched at him for support and fell down the steps before he could prevent it.

This was his second trial. In the first trial the jury stood 11 to 1 for conviction.

MANY SUBJECTS TO BE DISCUSSED

ROCKFORD, ILL.—Subjects ranging from how the alligator developed a stiff upper lip to the cause and history of disturbances on the moon will be discussed at the fifteenth annual meeting of the Illinois State Academy of Science at Rockford college April 27 to 29.

Likewise atoms of fossils, fungi and flora, ions and parasites, and their contributions to scientific enlightenment are subjects for discussion on an exhaustive program covering a wide range of scientific research.

Addresses and lectures have been grouped under the general subjects of biology, agriculture, chemistry, physics, geology, geography, medicine and public health, psychology, education, mathematics and astronomy.

Many of the state's leading scientists occupying chairs at the numerous universities and colleges are included in the list of speakers.

On the last day of the meeting the scientists plan to make a field trip out to Apple River gorge and down the Rock River in the hope of finding something new or at least something additional information about the home life of fungi and flora.

PASTOR CALLED TO PISGAH CHURCH WORK

Rev. William Pease Invited to Accept Pastorate of Pisgah Presbyterian Church.

A call was recently extended by the people of Pisgah Presbyterian church to Rev. William Pease of Allendale, Ill. An answer has not been received but the members of the church are earnestly hoping that Mr. Pease will accept.

Pisgah Presbyterian church has been without a resident pastor for more than a year past, although services have been quite frequently held by Dr. Thomas Smith. The members of the church are very anxious to once more have a resident minister who is devoting all of his time to the interests of their church organization, Pisgah church has a great history, and while there has been some lessening in the number of members in recent years, the organization still exerts a great influence for good in a wide area.

AGED CONCORD MAN DIED LAST NIGHT

James Monroe Leonard Passed Away Had Resided in County All His Life.

James Monroe Leonard an aged resident of Jacksonville died at his home in Concord at 11:30 o'clock Wednesday night.

Deceased was the son of Abraham and Levina Leonard and was born in Concord May 8, 1849. His entire life had been spent in that community where he was highly regarded.

One brother Perry Leonard of Concord survives. Two sisters recently preceded him in death. Mrs. George Lewis died on 14, 1921 and Mrs. Mary Gaddis died Feb. 25, 1922.

Mr. Leonard never married. He was identified with the Masonic order in Concord and was well known to many members of the order in Jacksonville. He was a man who commanded the respect of all in the community in which he lived.

The body was brought to the funeral parlors of Williamson and Son and prepared for burial. It will remain there until Saturday morning when it will be taken to Concord for services and interment. The time has not yet been fixed.

LINCOLN ONCE WAS JUDGE FOR ONE DAY

Court Docket in Dewitt County Shows His Handwriting—Sat in Hearing of Horse Trading Case.

SPRINGFIELD, Ill.—Handwriting of Abraham Lincoln upon the docket of the Dewitt County court for the year 1855, recently found by investigators gives evidence that Lincoln added to his other roles in life, that of a wise and just judge. He was a judge for a day.

Rules of the bench in that day provided that whenever a judge granted a change of venue, or desired for a time to vacate the bench, he might call upon any member of the bar, to sit in his place. The man who made Lincoln a judge was Judge David Davis, and the trial was an appeal from a horse trading decision by a Justice of the Peace.

Photographic plates showing Lincoln's entry in the docket are in possession of Attorney L. E. Stone of this city, who was formerly Deputy County Clerk of Dewitt county. The entry shows that Lincoln immediately after giving judgment for the plaintiff, granted the defendant a new trial. The parties in the case were Levi Davenport against Jess Stout, and the entry in Lincoln's handwriting is "October term, A. D. 3rd day. Trial by jury and verdict for \$27.00. Motion for new trial entered and allowed."

NATURE WILL REMEDY CONDITIONS

GLEN HAVEN, MICH. A partnership contract with nature drawn up mentally by D. H. Day obliged him to let slip many opportunities to make money, he says, but to enable him to develop from the young second growth on a tract that has been burnt over by fire a 1,400 acre forest which he expects "to stand for all time." A state game refuge and a state park have been located in the forest.

"Nature can remedy the lumber shortage if we give her a chance," says Mr. Day. He summarizes his "contract," formulated 44 years ago, as follows:

I agree to do everything in my power to assist nature in making this land produce lumber. I will cut only the largest of the trees, leaving the smaller ones to grow and produce others. I will keep the entire tract as free from fire hazards as possible, and will not resort to thinning of the trees, even though I might make bigger and quicker profits, because this wastes the young time. I will so adjust my affairs that this tract forever will remain in its natural state, providing a source of revenue and at the same time adding to the joy of those who love the out-of-doors.

WASHINGTON, April 5.—Secretary Denby served blunt warning today on officers and men of the navy to guard themselves "ashore and afloat from the preachings of socialism, communism and anarchy," thru a special order to the entire service which declared that no leniency would be shown to men who "committed acts of disloyalty."

The order arose Mr. Denby said from the fact that his attention had been called to a "sinister propaganda by societies having their origin in foreign countries to undermining the morale of the navy."

JOINT RECITAL TO BE GIVEN FRIDAY NIGHT

Miss Ruth Melba Armstrong and Miss Helene E. Sorrells to Appear in Joint Recital at Conservatory Friday Evening.

Announcement has been made of the program for the joint recital to be given by Miss Ruth Melba Armstrong, mezzo contralto, and Miss Helene E. Sorrells, violinist, at 8:15 o'clock Friday evening. The program will be given in Recital Hall of Illinois College Conservatory. The program follows:

Charity.....Hageman
The Cumin' Little Thing, Hageman
Dawn.....Curran
The Moon Drops Low (by request)
Cushman
Miss Armstrong
Accompanists: Miss Esther Duncan, Mr. Kitchell.

POLAR BEAR REUNION

A committee of eight representing the Polar Bear Reunion to be held in Detroit, May 27th to 30th inclusive, motored to Kalamazoo last Saturday, making stops at Ypsilanti, Ann Arbor, Jackson, Albion and Battle Creek, to distribute literature, and round up veterans, and were greeted by enthusiastic crowds everywhere along the line.

The reunion, open to all who saw service in North Russia, and their families promises to be one of the biggest ever held in Detroit and it is expected there will be great rejoicing when these Bolo chasers congregate for four wild

days. Large groups are being organized at each of the above mentioned cities, special cars are being arranged for, moth balls being removed from uniforms, and a "rain to go" spirit is prevalent everywhere.

At Kalamazoo the party was met and entertained by a large gathering headed by former Lieutenant James T. Strong at the Knights of Pythias Hall, where stereopticon views of Russia were shown, and a complete discussion of plans for the reunion was held.

Although the expedition to North Russia is generally considered "Detroit's Own," it is surprising to find how many men are scattered out through the states. There are also large numbers in

Illinois and Wisconsin; in fact all over the United States, so indications are that Detroit will have a convention it can well be proud of.

Next week the committee intends to cover Flint, Bay City and Saginaw and intermediate points. This committee, headed by vice Chairman, Joel R. Moore and Secretary, E. A. Ballard, will immediately following the trip to North

Michigan, make the rounds of the states of Wisconsin and Illinois, in order to stimulate more interest in this reunion.

Mrs. O. T. Ham and daughter, Theresa made a trip to the city Wednesday from Concord.

METHODISTS TALK OVER FINANCE PLANS

Ministers Met Here Wednesday For Conference—Millions Will Be Raised For Educational Work.

A number of Methodist ministers in the territory about Jacksonville gathered here Wednesday for a conference with reference to the big fund that Methodists are to raise for educational purposes. The conference was called by Dr. Charles Duncan, superintendent of the Bloomington district, and he led in the discussion.

The session, which began at 10 o'clock Wednesday morning at the Dunlap Hotel, continued thru the noon hour and until 3 o'clock in the afternoon. Among the ministers who attended were Rev. E. L. Fletcher, superintendent of Jacksonville district; Rev. C. D. Robertson, pastor of Centenary church; Rev. C. M. Corrie of Winchester; Rev. Guy Dewhurst, Roodhouse; Rev. E. M. Hamand, Waverly; Rev. Harry Evans of Forrest City; Rev. Mr. Myers, Quincy; Rev. E. L. Grammit, Pittsburg; Rev. L. E. Carnine, financial secretary Bloomington commercial club.

It was announced that Rev. E. L. Fletcher of the Jacksonville district will meet the ministers of this district in five groups to consider the same general matters that were discussed yesterday.

The greatest importance was laid upon the need for religious education and varying views were expressed as to the best methods for the carrying on of this work.

At the sessions of the Illinois conference here last fall the question endorsing the program to raise a fund of \$5,250,000 for educational work in the Illinois conference was one of the most important matters considered. After a spirited debate which lasted through many hours the program was endorsed.

The conference here yesterday was in preparation for the campaign which will be necessary in order to raise this fund, which is to be used particularly for the aid of schools and colleges within the conference.

The group here Wednesday is expected to explain the plan to a larger group and in this way the ground work is to be laid for the general campaign which is to follow.

LEVIN BITTER IN ATTACK ON SMALL

Ousted Civil Service Commission Employee Finds Only Evil In Present Administration Affairs—Rapped Anti-Saloon League for Withholding Searcy Endorsement.

Isidore Levin, who is a Republican candidate for state representative in this district, made an address at the court house Wednesday night. Mr. Levin had an audience which completely filled the court room and the people listened with evident interest for more than two hours. Mr. Levin was removed from his position with the state civil service commission a number of months ago after a series of disagreements with members of the commission and with Governor Small.

In his campaign for nomination as member of the general assembly, Mr. Levin is devoting himself largely to attacks upon Gov. Small, although he gives about the same amount of attention to Senator Wheeler.

The speaker bitterly attacked Gov. Small for his attitude on civil service and declared that while Governors Dunne, Deneen and Lowden realized that they were elected to be servants of the people, that Gov. Small takes the opposite view and believes that the people should serve him. He was particularly violent in his arraignment of the governor's attitude on civil service and said the attack of the administration on the civil service law was shocking.

He attributed this attack to the desire to place 3,000 or 4,000 additional jobs at the disposal of the administration. Mr. Levin accused the governor of placing all the immediate members of his family and numerous relatives upon the pay roll.

Senator Wheeler came in for a goodly share of criticism because he was the sponsor for the bill whereby it is proposed to abolish the civil service act. Mr. Levin said that Senator Wheeler is one of Gov. Small's chief advisers and that anything that the Small administration favors is fostered in the senate by Senator Wheeler.

The speaker denounced the anti-saloon league for its failure to give Representative Searcy and Senator Wheeler an equal endorsement, for he maintained that their record with reference to dry legislation entitled both to such endorsement.

Mr. Levin was condemning the action of the anti-saloon league declared that he is a pronounced dry. Mr. Levin has a kind of oratory that holds the attention and an audience usually finds personal attacks interesting.

WAGE CUTS ARE AGREED UPON

CHICAGO, April 5.—Wage cuts averaging 10 per cent for men's clothing workers were agreed upon today in a three year agreement to become effective May 1. The new agreement affects only Chicago clothing factories.

The agreement was negotiated by Sidney Hillman of New York president of the Amalgamated Clothing Workers of America with the National Industrial Federation of Clothing Manufacturers.

Social Events

Wednesday Class at Ayers Home.

The Wednesday Class met with Mrs. Walter Ayers as hostess at her home on West State street yesterday afternoon. Because of illness of some of the members the regular program was not given and an informal afternoon discussion of American Poetry took its place. Each member selected her favorite American poem and read it at the class, thus making a very interesting afternoon. Delicious tea was served in the dining room at the conclusion of the meeting.

Hostess to Liberty Club.

Mrs. Clarence Siegfried entertained the members of the Liberty Club yesterday afternoon at her home on East College avenue. There were about twenty members and guests present and the afternoon hours were delightfully spent with fancy work and conversation. The hostess served most attractive refreshments and the affair was enjoyable in every respect. The guests whom the hostess had invited for the afternoon were, Mrs. H. C. Busby, Mrs. E. J. Frost and Mrs. Henry Ricks.

Hostess to Club.

Miss Josephine Ross entertained the members of the L. O. H. F. Club last evening at her home on Pine street. The evening hours were enjoyably spent with music, sewing and a general good time. The hostess served attractive refreshments during the evening. This club of young women meets once a month for a social time.

Gleaners Circle Of Ebenezer Church Met.

The Gleaners Circle of Ebenezer church met with Mr. and Mrs. Otis Mason Wednesday evening. There was a very good attendance, the husbands and friends of the members being the guests of the occasion. A pleasing program of games and music was carried out and altogether it was one of the most pleasant social meetings which the class has held. In the spelling match which was a feature of the evening the honors were won by Mrs. Carl Martin. Other prize winners were Clyde Cooper, William Hadden and Clyde Black.

Late in the evening refreshments of sandwiches, pie, cake and candy were served.

Evangelist Dunk Speaks to Baptist Women.

The Woman's Union of the First Baptist church met yesterday for an all day meeting in the church. During the Missionary half hour in the afternoon the members had the opportunity of hearing Evangelist Dunk give an interesting talk.

At noon a delicious luncheon was served by a committee of which Mrs. W. H. Wiseman was the chairman, assisted by Mrs.

Dennis Schram and Mrs. Ingalls. Following the luncheon there was a business session presided over by Mrs. Jeanette Ogden, the president, and at this time sample ballots for the coming election were given out and the ladies given some instruction as to voting.

The hours during the morning and part of the afternoon were devoted to sewing for the Huddleson Baptist Orphanage, quilting and making surgical dressings for Passavant hospital.

Wednesday Social Club Met.

Mrs. E. A. Olds entertained the members of the Wednesday Social Club yesterday afternoon at her home on West College avenue. There are twelve members in the club and a number of guests had been invited for yesterday's meeting. The afternoon was most pleasantly spent with fancy work and conversation and at the close of the afternoon the hostess served an attractive luncheon. The guests whom Mrs. Olds had invited were, Mrs. Addie Fox, Mrs. J. A. Long, Miss Irma Fox, Mrs. George Bradley, Mrs. L. A. Davis and Mrs. Alfred Kehl.

Galapka Camp Fire Girls Held Meeting Yesterday.

Girls of the Galapka Camp Fire held their regular meeting in Pilgrim Memorial of Congregational church yesterday afternoon. Plans were made for a market for the sale of candy and fancy work to be held in conjunction with the bazaar of the ladies of Trinity church guild in guild hall, April 20. The proceeds of this and former markets are to be used for camping expenses during the summer months.

Lafayette Parent-Teacher Association Meets.

The Parent-Teacher Association of the Lafayette school met yesterday afternoon at the school for the regular monthly meeting. The meeting was well attended and an interesting program was given. Miss Beulah Tull, accompanied by Miss Edith Rogers at the piano, sang a group of songs and Mrs. Paul Samuell gave three short readings. At the close of the program a short business session was held in charge of Mrs. W. H. Mosely the president, who appointed Mrs. Fred Hopper, Mrs. Charles Keehner and Miss Esther Davis as a nominating committee for the election of officers for next year.

An apron sale in charge of Mrs. Bernard Gause, Mrs. J. N. Conover, Mrs. Carl York and Mrs. S. A. Thompson was held and a large number of pretty and practical aprons contributed by members of the association, sold well. At the close of the afternoon a social hour was enjoyed and delicious refreshments were served. The mothers of the children in Miss Anderson's and Miss Todd's rooms acted as hostesses for the day.

patient in Jacksonville for only a short time.

The remains were removed to the funeral parlors of C. E. Williamson and Son and prepared for burial. The body was sent to Payson over the Wabash yesterday noon and interment will be in Craig Town cemetery on Thursday.

The deceased was a prominent farmer in the Payson community where he had made his home for years. He is survived by his wife and one son, John Hunsaker of Quincy.

Taylor

Miss Alice Hutchinson Taylor died at her home in Virginia, Illinois, April 4th at 8:30 P. M. She was a sister of J. W. Taylor on West College avenue.

Miss Taylor was born in Cass county and lived all her life there.

She had been ill a long time and death was not unexpected. The funeral was held from her home on Thursday afternoon at 2:30 P. M. The services will be in charge of Rev. Max Wiles, pastor of the Presbyterian church of which she had long been a member.

DYNAMITE WRECKS CHURCH AT ROCKVILLE

(By The Associated Press)

KANKAKEE, Ill., April 5.—An explosion of dynamite which early today wrecked the new Latter Day Saints Church at Rockville, 12 miles from here was being investigated by Sheriff Riley today.

The church was the second to be destroyed in two years and members blamed the explosion on persons who have been opposing them. The first church was burned October 20, 1920. The second church was destroyed shortly before it was opened by persons who smeared the walls with tar and broke the furniture. Last December an attempt was made to burn the structure.

The force of today's explosion was so great that it broke windows in many nearby homes and tore down telephone wires so that outside communication was cut off during the day.

DEVALERA PAYS LONDENDERRY VISIT

BELFAST, April 5.—Eamonn Devalera paid a visit to Londonderry today. His movements were attended by much secrecy but it is known he conferred with his supporters discussing with them the present situation in North Ireland and that he subsequently went by motor car to Donegal where it is believed he will stay several days.

Hunsaker.

George W. Hunsaker, a prominent farmer of Payson, Illinois, passed away at a local hospital Tuesday evening, after an illness of only a few weeks. The deceased was 63 years old at the time of his death and had been a

GREAT ACTOR APPEARED AT GRAND

The audience which greeted Leo Dittrichstein at the Grand Opera house last night was not as large as should have been the case, for an attraction of such worth. The managers of the Grand counted themselves fortunate in booking this eminent actor in "The Great Lover" and it was expected that a "standing room only" audience would be present.

Mr. Dittrichstein and his company have appeared mainly in the larger cities and it is seldom that the company visits a city of the size of Jacksonville. Leo Dittrichstein is not new to the American stage in "The Great Lover," but the flight of years has not dulled the eminent actor's powers.

This vehicle for the Dittrichstein talent is a romantic comedy written by the actor himself collaborating with Frederick and Fannie Hatton. Mr. Dittrichstein appears as a feted and philandering opera singer. The personalities and vanities of stage people are held up to view and the intimate picture of life behind the curtain of grand opera is interesting in the extreme. The Dittrichstein tour is under the able management of Leo Shubert.

"The Great Lover," it is said, has been translated into a dozen languages for presentation in different parts of the world and after seeing Mr. Dittrichstein and his competent supporters last night, the Jacksonville audience could quite well understand the continued and wide spread popularity of this comedy drama.

Jacksonville Lodge No. 570 A. F. & A. M.

will hold a stated meeting to-night at seven o'clock. Work in F. C. degree. Visiting Brethren welcome. H. H. Chapman, W. M. E. L. Kinne, Sec.

RED CROSS TO MEET

Members of the executive committee of the board of directors of the Morgan County Red Cross are to meet tomorrow evening at the Red Cross headquarters. A number of important matters will be considered.

ELLIOTT STATE BANK

JUDGE LAYMAN RETURNS

Judge M. T. Layman returned to the city Wednesday evening after a stay of several months in Chicago. The many local friends of Judge Layman will be glad to know that it is his plan to now remain here permanently.

COLLEGE STUDENTS HELD PEP MEETING

The chapel services at Illinois Woman's College were devoted to a pep meeting and discussion on the endowment campaign. The different classes sang endowment songs and after the singing the dean turned the meeting over to Miss Marian Munson, chairman of the endowment committee and she introduced Mayor E. E. Crabtree who addressed the students. Mr. Crabtree talked on the subject of "Why a College Needs Endowment," and he spoke especially of the need of Illinois Woman's college for an adequate endowment fund.

Spring Gift Sale and Market Neckwear and Bags Congregational Church April 6

WINCHESTER.

Mrs. Ralph Overton of St. Louis is here for a visit with her parents, Mr. and Mrs. Ivan Coultas. Guy Clark of Galesburg was calling on friends here Wednesday and looking after business.

Luther Mason of Peoria visited his mother here recently.

Little James Riggs, Jr., has been quite ill with the flu but is now somewhat improved.

Mrs. Arthur Markkille and daughter, Martha Jean, visited with Mrs. Markkille's parents in Riggston the first of the week.

ELLIOTT STATE BANK

All deposits made in our Savings Department during the first ten days of April, will draw interest from the first of the month.

COL. PAUL W. BECK

Lieut. Col. Paul W. Beck whose unfortunate end was chronicled in Wednesday's Journal, was the son of Gen. William H. Beck and his wife nee Rachel Tongate.

Gen. Beck came here from Philadelphia in the fall of 1860, and was a clerk for John W. Lathrop in his store on the east side of the Square, where the Book & Novelty Shop is now.

Mr. Beck was a young man at that time, and at once enlisted under Lincoln's first call for troops, going out in the Hardin Light Guard, as a corporal, April 22, 1861. He stayed in the army till a year or two ago, when he was retired a brigadier-general. He was a gallant soldier. He was a nephew of Morris Justice's wife.

A FORECLOSURE SUIT

A foreclosure suit was filed Wednesday in the office of Circuit Clerk Wananaker. Charles E. Newton, et al., brought the action against Maggie Mick, et al. The basis of the suit was a note given him in 1917.

C. A. Beavers of Litchberry was a business visitor in Jacksonville Wednesday.

WILL SELL CRIDLAND HOME AT AUCTION

Unusual Opportunity Will Be Given for Purchase of a Home—May 6 Is Sale Date.

Charles A. Johnson and J. Weir Elliott, executors under the will of Joseph Cridland, deceased, are advertising that they will offer for sale for cash to the highest bidder at the South door of the court house, Saturday, May 6, 1922, at two o'clock p. m., the residence of the late Joseph Cridland, known as 295 North Prairie street.

This house was originally built by the owners of the land to be used as a home and no expense was spared in order to make the house both comfortable and substantial. The house is modern throughout and a new furnace has just recently been installed. It has always had the best of care and if kept up to its present condition, it will easily outwear many of the newer houses which are being put up today.

The location of the property makes it unusually desirable as a home for a business man as it is only a few minutes' walk from the Square and yet it is situated in one of the most desirable residence districts.

Any one who is looking for a home or for a high grade investment should not fail to attend this sale.

We solicit your ice orders and assure you prompt and courteous service.—WALTON & CO. Phone 44.

WILL ATTEND Y. M. C. A. CONFERENCE IN CHICAGO

Arthur Howells, the recently elected president of Illinois College Y. M. C. A., will go to Chicago this evening to attend the state Y. conference to be held there Friday, Saturday and Sunday. The sessions will be held at the Y. M. C. A. college and will be attended by association leaders throughout the state.

Among noted men who will appear on the conference program are Bishop McDowell of Chicago; Dean James of Northwestern University; President Burt of Chicago Y. M. C. A. College; Rev. Charles Tilkey of the Hyde Park Baptist church and Leo Kohl, a senior at Wisconsin university. Another speaker will be "Dad" Elliott, International Students' secretary. The program will also include round table discussions of various problems which are now presented in Y. M. C. A. work.

Mrs. Arthur Wood, Mrs. Fred Kloker and Mrs. Edward Wood were listed among shoppers in Jacksonville yesterday from Aronville.

District Passenger Agent Writes
C. of C. Encouraging Letter.

The board of directors of the Chamber of Commerce has been in communication with E. H. Yarke, district passenger agent of the Chicago and Alton Railroad at Springfield, regarding better train connection between Jacksonville and Springfield. Mr. Yarke was invited to attend the directors meeting to be held this evening but was unable to be present.

Mr. Yarke has, however, assured the directors that he will do all in his power to have Train No. 31, which leaves Jacksonville at 6:35 a. m., changed so that it will meet No. 44 at Murrayville, thus enabling travelling men and others who so desire, to reach Springfield about eight o'clock in the morning. No. 44 leaves Roodhouse at 6 a. m., and runs to Bloomington, by way of Springfield. It is the plan to have the time of No. 31 changed so that it will meet the Roodhouse-Bloomington train at Murrayville and enable passengers to change there for Springfield.

An effort is also being made to have No. 14, which leaves Jacksonville at 2:40 p. m., meet the B. and O. at Ashland for an afternoon connection for Springfield. This matter is being taken up jointly between the officials of the Chicago and Alton and the B. and O. If the proposed changes in railroad connections between here and Springfield can be accomplished travel between the two cities will be greatly facilitated.

I hereby announce myself a candidate for the Democratic nomination for county superintendent of schools, subject to the will of the voters at the primary

MY CHILD
A graving child is a privilege rather than a responsibility. Parents who have been unable to acquire special knowledge or culture in their own lives can, through their children, complete a life's work in many ways. Nothing in life is surer in its upbuilding of character and fineness than music. To inspire a child to play well there must be a tangible contact with the great music of the world. The

Gulbransen
offers much both as a musical instrument and as a teacher. A great musician has said:

"If I were learning the piano at this time, I would not confine myself to any individual piano instructor, but would turn to the Gulbransen and acquire through its rolls an intimate knowledge of the style of all the world's greatest pianists, as revealed by them. I consider such a course by far the best method by which a pianist who has passed the first rudimentary stages can develop true artistry."

The Gulbransen is the Player that is taught quickly by delightful instruction rolls.

PAVING ORDINANCE

AN ORDINANCE

Prepared and transmitted and its passage recommended by the Board of Local Improvements of the City of Jacksonville, Illinois, to the City Council of said City, providing for the Local Improvement of West College Avenue from the West Curb Line of South Sandy Street, running thence West along said Avenue to the intersection of the West City Limits with said West College Avenue, and also, the roadway of all intersecting streets and alleys lying within said portion of said Avenue and not included in the roadway thereof, by excavating, grading, curbing and paving; said improvement to be known and designated as West College Avenue Paving Improvement No. 2.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JACKSONVILLE, ILLINOIS: SECTION 1.—That a Local Improvement shall be made within the City of Jacksonville, Illinois, the nature, character, locality and description of which said improvement is as follows, to-wit: That the roadway of West College Avenue from the West Curb line of South Sandy Street, running thence West along said Avenue to the intersection of the West City Limits with said West College Avenue, and also, the roadway of all intersecting streets and alleys lying within said portion of said Avenue and not included in the roadway thereof, be and the same is ordered improved by excavating, grading, curbing and paving as follows:

Barricades. All necessary guards or barricades shall be erected and maintained by the Contractor who here-by agrees to hold the City harmless from all claims for damages resulting through the obstruction of streets or from any neglect on the part of the Contractor or his agents employed, either in failing to keep guards, barricades and lights, or otherwise.

Street Grades. The grade of the finished roadway herein provided to be paved, and the grade of the top of the curb herein specified, when set in place, shall be as shown on Plans and Profiles hereto attached, at points indicated by figures denoting the elevation of the grade in feet and decimal parts thereof, which refer and relate to the Datum Plane hereinafter described, and shall be regular straight ascending or descending lines, as the case may be, between the said grade points indicated.

The curvature of the surface of the roadway when completed, shall conform to that of a parabola.

The Datum Plane hereinafter mentioned, is a horizontal plane passing through the City Bench Mark established on the iron sill in the Northeast corner of the brick building known as the Strawn Building located at the Southwest corner of South Main Street and the Public Square in the City of Jacksonville, Illinois. The elevation of said Bench Mark is 613.82 feet, Memphis Datum.

Location. The roadway of the West College Avenue, from the West Curb line of South Sandy Street, running thence West along said Avenue, to the intersection of the West City Limits with said Avenue, and also, the roadways of all intersecting streets and alleys lying within said portion of said Avenue and not included in the roadway thereof; except the Right of Way of the Jacksonville Railway Company, being that portion of said Avenue now used and occupied and commonly known as the Right of Way of the Jacksonville Railway Company, between 11th and 12th Streets, for a distance of 12 inches on the outside of the Rails, is ordered to be improved as follows:

The width of the roadways, hereinafter mentioned and herein provided to be improved, shall be of the width as shown on Plans and Profiles hereto attached.

Combined Curb and Gutter. Combined Curb and Gutter shall be constructed on both sides of the roadway herein provided to be paved, except across the roadway of the streets and alley intersections.

The finished dimensions of the Curb portion of the Combined Curb and Gutter shall be six (6) inches thick and thirteen (13) inches in depth, the top of the Curb shall be seven (7) inches above the top of the Gutter. The Gutter portion shall be eighteen (18) inches wide and six (6) inches in depth.

The combined Curb and Gutter shall be constructed in two Courses; a Base Course five (5) inches thick and a Finished Course one (1) inch thick. The Finished Course shall extend over the entire surface of the gutter and face and top of the Curbing.

The space to be occupied by the Combined Curb and Gutter shall be brought to Sub-grade by removing old Curb and by excavating or filling, as the case may be, and shall be thoroughly compacted by tamping. After the Sub-grade has been prepared, a layer of Boiler Cinders to form a foundation for the Combined Curb and Gutter, shall be placed thereon which shall be thoroughly tamped and shall be six (6) inches in thickness after being compacted, and shall be thoroughly moistened with clean water before the concrete base is placed thereon.

On the Cinder foundation above described, there shall be placed the Concrete Base Course for the Combined Curb and Gutter, which

shall be composed of one (1) part by volume of Portland Cement, two (2) parts clean sharp sand, and four (4) parts of Crushed Stone or Washed Gravel, of such size that will pass through a Screen having one (1) inch openings and be retained on a Screen having one-quarter (1-4) inch openings. The materials shall be thoroughly mixed together with sufficient clean water to produce a Concrete of the proper consistency which shall be approved by the Board of Local Improvements, and shall be properly deposited in place on the Cinder foundation prepared as above specified; it shall then be tamped until the mortar flushes the surface and shall conform to the cross section of the finished work. After the Concrete Base Course has been placed and before it has started to set, the Finishing Course, composed of one (1) part by volume of Portland Cement, two (2) parts of clean sharp sand mixed together with sufficient clean water to produce a mortar of the proper consistency, which shall be approved by the Board of Local Improvements, shall be placed thereon and well worked over the Base Course with a trowel pressing it heavily on the Concrete surface so that no air spaces are left in the mortar and to thoroughly bind the two courses together, and lightly floated with a wooden float after which only such troweling shall be done as may be necessary to make a smooth and finished surface.

At all street and alley intersections where the curb lines intersect, the Combined Curb and Gutter shall be curved to a radius of Nine (9) feet; at all intersections of curb lines at all private driveways the Combined Curb and Gutter shall be curved to a radius of three (3) feet.

Forms, constructed of wood or metal shall be used in the construction of the Curb and Gutter to keep the materials in place and true to line and grade while they are being constructed, and shall remain in place until the Concrete has hardened enough to allow their removal without injury to the work.

The Combined Curb and Gutter shall be constructed in Sections five (5) feet long, and a space of one-quarter (1-4) of an inch shall be left between the ends of each section for their full depth to allow for expansion. The spaces shall be made by using metal parting strips while the Curb and Gutter is being constructed, which shall be removed when the Concrete has hardened enough that it will not injure the Curb and Gutter.

The grade of the finished roadway herein provided to be paved and the grade of the top of the Curb and Gutter herein specified, when set in place, shall be as shown on Plans and Profiles hereto attached, at points indicated by figures denoting the elevation of grade in feet and decimal parts thereof, which refer and relate to the Datum Plane hereinafter described, and shall be regular straight ascending or descending lines, as the case may be, between the said grade points indicated.

The roadway herein provided to be improved shall be brought to the required Sub-grade by excavating or filling, as the case may be, to permit the construction of the pavement in such a manner that the finished surface of the pavement when completed shall conform to the lines and grades specified herein; and the roadway shall be 18 feet on either side the center line thereof, and as shown on Plans and Profiles hereto attached.

The Sub-grade shall be brought to a firm and unyielding surface by rolling with a self propelled roller weighing not less than five (5) tons and all portions of the Sub-grade which are inaccessible to the roller shall be thoroughly tamped with a tamper weighing not less than fifty (50) pounds, the face of which shall not exceed one hundred (100) square inches in area. All soft, spongy or yielding spots developed in the Sub-grade that will not compact under the roller shall be removed and the space filled with dry earth.

The cross-section of the finished surface of the Sub-grade shall conform in every respect to the cross-section of the finished pavement as shown on the Plans hereto attached.

All materials and surplus earth excavated from the street and not used in the Improvement shall become the property of the Contractor and shall be removed and disposed of by the Contractor.

Upon the Sub-base thus prepared shall be placed a layer of Portland Cement Concrete five (5) inches in thickness. The Concrete shall be composed of one (1) part by volume of Portland Cement, three (3) parts clean sharp sand and six (6) parts of Crushed Stone or Washed Gravel. The Stone shall meet with the following requirements: It shall pass through a Screen having two (2) inch openings and be retained on a Screen having one-quarter (1-4) inch openings. The gravel shall be tested over a screen having sixteen (16) meshes to the square inch to determine the proportion of Sand required, necessary to make the mixture equal to that above specified; this shall be determined by the Board of Local Improvements before any work is done. No stone larger than one and one-half (1-1/2) inches in any dimension to be used.

The Portland Cement hereinafter referred to, shall be of the best quality and of a brand which has acquired an established reputation for strength and durability and shall comply with the requirements of the Standard Specifications and tests for Portland Cement, adopted by the American Society for Testing Materials, September 1st, 1916.

The Contractor must submit samples far enough ahead of the work to permit the Board of Local

Improvements to make all necessary tests, and upon a failure of any Cement at any time to meet the tests prescribed, the Cement will be rejected.

Manholes and Valve Box Covers. All Manholes, Valve Box Covers and Storm Water Inlets in said roadway shall be raised to conform to the surface of the finished pavement when completed.

Brick Catch Basins laid in Cement Mortar with Cast Iron Covers, shall be constructed as shown on plan hereto attached. Cast Iron Storm Water Inlets shall be located as shown on the Plans hereto attached, and as directed by the Engineer. They shall be of the best quality of gray Cast Iron and weighing not less than 350 pounds. They shall be connected to existing Inlets as now established in said Avenue.

Binder Course. On the foundation above specified, there shall be placed a Binder Course which shall consist of fine bituminous Concrete, composed of Crushed Stone or Washed Gravel and Sand; no stone to exceed one (1) inch in its largest dimension, thoroughly screened, and Asphaltic Cement, composed of Lake Asphalt, such as Trinidad or other Asphalt equal thereto, as hereinafter described. The Stone or Washed Gravel shall be heated by passing through revolving heaters and thoroughly mixed by machinery with the Asphaltic Cement in the proportion of not less than fifteen (15) gallons of the Asphaltic Cement to one (1) Cubic yard of Stone or Washed Gravel, and sand. The mixture will be so made that the resulting Binder has life and gloss without an excess of Cement. Should it appear dull from overheating or lack of Cement, it will be rejected. This Binder will be hauled to the work and spread on the Base with hot iron rakes and immediately rolled with a self propelled roller while in a hot and plastic condition until it has a thickness of not less than one (1) inch. The upper surface shall be exactly parallel with the surface of the pavement when completed.

Wearing Surface. Upon the Binder Course thus prepared shall be laid a Wearing Surface or pavement proper, the basis of which shall be composed of Lake Asphalt, or other Asphalt equal thereto, unaltered with any of the products of Coal Tar and to be a nature and quality proven to be durable and proper by having been in successful use in roadway pavements in one or more cities of the United States for a period of at least two (2) years and in an amount greater than five thousand (5000) square yards in each of said cities.

This Wearing Surface shall be composed of: 1st.—Refined Lake Asphaltum, 2nd.—Heavy Petroleum Oil, 3rd.—Clean Sharp Sand, 4th.—Fine Powdered Carbonate of Lime.

Refined Asphalt shall be smooth and free from lumps of unmelted pitch, organic matter not bituminous. It shall not at any time reach a temperature of over 375 degrees Fahrenheit. The Asphaltic Cement shall be prepared from such refined Asphalt as may be approved by the Board of Local Improvements, and suitable Heavy Petroleum Oil or other approved solvent.

The Heavy Petroleum Oil which may be the residuum by distilling of petroleum oils as found in the market generally contains water. The Petroleum Oil shall be free from any and all impurities and brought to a specific gravity of from 18 degrees to 22 degrees Reaumur and a fire test of 250 degrees Fahrenheit. To the melted Asphalt at a temperature of not over 325 degrees Fahrenheit, the Oil, after having been heated to at least 150 degrees Fahrenheit, shall be added in suitable proportion to produce an Asphaltic Cement. To accomplish this, from 30 to 50 pounds of Oil per 100 pounds of Refined Asphalt will be required. As soon as the Oil has begun to be added, suitable agitation by means of an air blower or other acceptable appliance, shall commence and be continued until a homogenous mass is produced. The application for agitation shall be such as to accomplish this at least ten (10) hours during which the temperature shall be kept free from 200 degrees to 325 degrees Fahrenheit and no higher. If the Cement then appears homogenous and free from lumps and from any inequalities as

shown by samples from different parts of the still, it may be used. Should it not prove homogenous, such deficiencies as may exist shall be corrected by the addition of hot oil or melted Asphalt in the necessary proportions.

The ingredients for the Asphaltic Cement shall be as follows: They shall be mixed in the following proportions by weight: The Asphalt, 100 parts, Heavy Petroleum Oil, 30 to 50 parts.

The paving mixture shall be formed of the following materials and in the proportions stated: Asphaltic Cement from 12 to 15. Sand, from 70 to 85. Pulverized Carbonate of Lime, 5 to 15.

The Sand and Asphaltic Cement All Pulverized Carbonate of Lime shall pass a No. 30 mesh screen and at least 75 per cent of it shall pass a No. 100 mesh screen.

The pavement mixture thus prepared as above indicated, shall be laid on the foundation. It shall then be carefully spread by means of hot iron rakes in such a manner as to give a uniform and regular grade, and to such depth that after having received its ultimate compression it shall have a thickness of not less than two (2) inches. The surface shall then be compressed by rollers, after which a small amount of Hydraulic Cement shall be swept over it and it shall then be thoroughly rolled weighing not less than five (5) tons in order to get a thoroughly compressed Wearing Surface, the rolling being continued as long as it makes an impression on the surface.

The Powdered Carbonate of Lime shall be of such degree of fineness that five (5) to fifteen (15) per centum by weight of the entire mixture of the pavement shall be an impalpable powder of Limestone and the whole of it

shall pass through a No. 30 Screen. The Sand shall be of such size that none of it shall pass a No. 80 Screen and the whole of it shall pass a No. 10 Screen.

All sand shall be sharp and free from loam, lignite, or other foreign matter. The Crushed Stone or Washed Gravel shall be clean hard Stone free from dirt or other foreign matter.

Headers. At street intersections with streets having a different surface, the pavement shall be finished with Concrete Headers, four (4) inches in thickness and sixteen (16) inches in depth.

Concrete Headers shall be constructed of the same material as above specified for Concrete foundation and shall be constructed to the grade of the street surface.

General. Estimates shall be made monthly and given to the Contractor to the amount of eighty-five (85) per cent of the finished work done each month and the final estimate will be given when the work is completed and accepted by the said Board of Local Improvements.

On all questions concerning the execution of the work and measurements thereof, the decision of the said Board of Local Improvements shall be final. The said Improvement shall be constructed in a thorough and workmanlike manner and to the satisfaction and acceptance of the Board of Local Improvements of the City of Jacksonville, Illinois. The Plans and Profiles hereto attached, are hereby expressly referred to and made a part of these Specifications and of this Ordinance and shall for all intent and purposes, when not in conflict with the express provisions here-in contained, be taken and considered a further and more detailed specification of the nature, character, quality and description of the Improvement herein contemplated.

Terms of Payment. Payments shall be made in monthly estimates. Estimates to be made by the Public Engineer for said City on the first day of each month during the progress of the work herein provided. Estimates of the amount and volume of work actually constructed and in permanent place, and vouchers

against the special tax levied to pay for this improvement, to the amount of eighty-five (85) per cent of the estimated value of said work actually constructed and in permanent place for the then existing month, will be issued, delivered at the office of the City Treasurer in said City; the remaining fifteen (15) per cent of said Estimate due under said Contract to be retained as a guarantee against poor workmanship and material, until the work contemplated by this Contract has been fully completed and accepted by the Board of Local Improvements.

SECTION 2.—That the recommendation of the Board of Local Improvements of the City of Jacksonville, providing for said Improvement, together with the estimate of the cost thereof, made by the Engineer of said Board, both hereto attached, be and the same are hereby approved.

SECTION 3.—That the cost of said Improvement, except as hereinafter provided, including the sum of \$6176.17 being the amount included in the estimate of said Engineer, hereto attached, as the cost of making, levying and collecting the assessment herein, and which said sum shall be applied toward payment of the aforesaid and other costs by law authorized, be paid by special taxation to be levied upon the property contiguous to and abutting upon said improvement, in the proportion that each lot, block, tract and parcel of land and property may front or abut upon said College Avenue, from the West Curb line of South Sandy Street running thence West to the intersection of the West City Limits with said College Avenue; and to pay the costs of said Local Improvement, except as hereinafter provided, and the cost of making, levying and collecting the assessment to be levied upon the property as hereinafter provided above stated in accordance with an Act of the General Assembly of the State of Illinois entitled, "An Act Concerning Local Improvements," in force July 1st, 1895, and the amendments since made thereto: Provided, however, that there shall be paid by and assessed against the City of Jacksonville, Illinois, as Public Benefits and paid by General Taxation, an amount equal to seven (7) per

cent of the total cost of said improvement and of the amount included in the Estimate hereto attached, as the cost of making, levying and collecting the assessment herein, and that there shall also be paid by and assessed against the City of Jacksonville, Illinois, as Public Benefits, the amount that would be assessed against Lots 164 and 165 in the Original Plat of the Town (now City) of Jacksonville, Illinois, said lots being privately owned said lots being now owned by the City of Jacksonville and used for Library purposes.

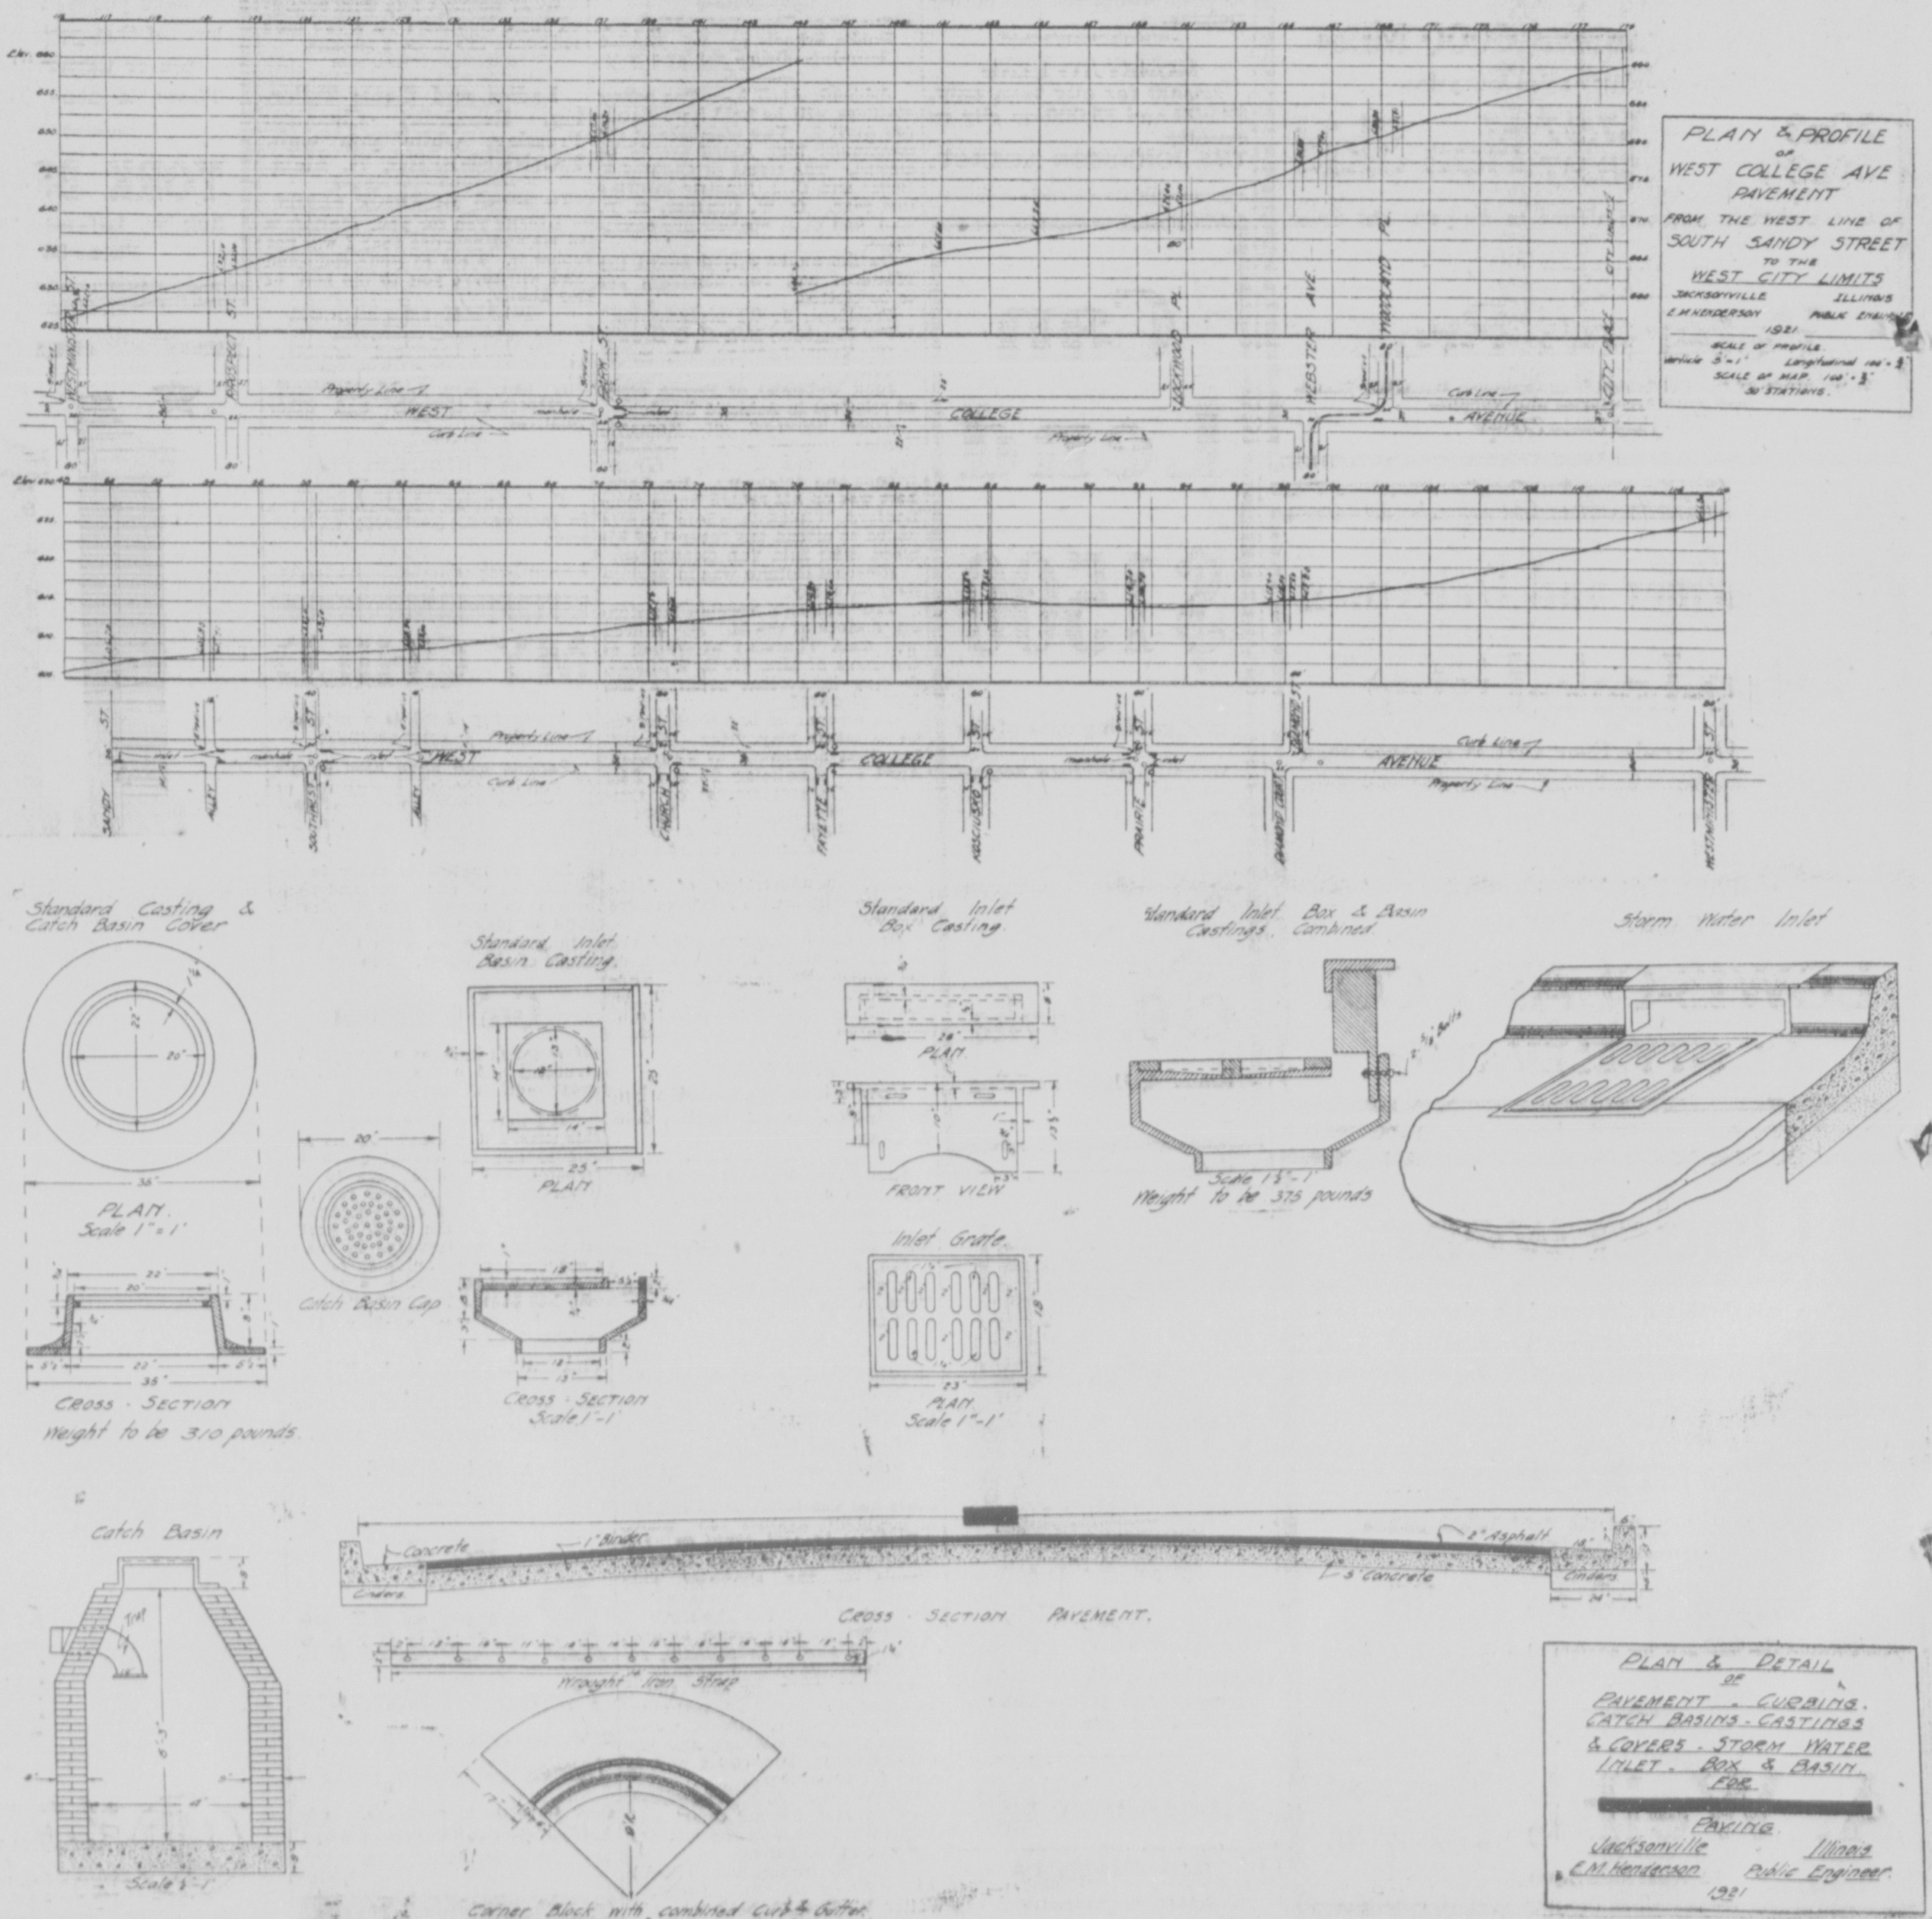

SECTION 4.—That the aggregate amount herein assessed against the property, and also, the assessment on each lot, block, tract and parcel of land and property contiguous thereto, shall be divided into ten (10) installments in the manner provided by the Statute above mentioned and each of said installments shall bear interest at the rate of six (6) per cent per annum according to law until paid.

SECTION 5.—That for the purpose of anticipating the collection of the aforesaid second and succeeding installments provided for in this Ordinance, the said City of Jacksonville shall issue Bonds, payable out of said installments, bearing interest at the rate of six (6) per centum per annum, payable annually on a day named by the City Clerk of said city, under the corporate seal of said City, said bonds to be issued in the sum of One Hundred (\$100) each, or some multiple thereof, and shall be issued in accordance with, and shall in all respects conform to the provisions of said Act of the General Assembly of the State of Illinois entitled, "An Act Concerning Local Improvements, approved June 14th, 1897, and the amendments thereto."

SECTION 6.—That the City Attorney is hereby directed to file a petition in the name of the City of Jacksonville, in the County Court of Morgan County, Ill., praying that steps be taken to levy a special tax to pay the costs of said Improvement in accordance with the provisions of this Ordinance and the laws of the State of Illinois.

SECTION 7.—All Ordinances or

MATERIAL DECLINE
IN WHEAT PRICES

By Associated Press.

CHICAGO, April 5.—Prospect-
ive liberal shipments of wheat
to Chicago from Omaha and other
primary markets did a good deal
to bring about a material
decline in wheat prices here. The
close was unsettled 1c to 2c net
lower with May \$1.29 to \$1.39
and July \$1.18 to \$1.18½. Corn
finished 1c to 1½c down, oats
unchanged to 1c off, and provi-
sions at 15c to 1½ advance.

With reports current that 70
carloads of wheat were coming to
Chicago from Omaha and with
additional shipments in view
from Kansas City and elsewhere it
was generally assumed by wheat
traders that deliveries on May
contracts in Chicago would be
much larger than had heretofore
seemed probable. Throughout the
session the effect was to increase
selling pressure on May and
eventually to weaken July and
September, altho at first the late
months showed gains on account
of some uncertainty over crop
conditions in parts of the winter
wheat territory.

Slowness of export demand for
wheat was a subject of much
comment. The only new business
with European credit today was in
Canadian wheat 300,000 bushels.
Domestic millers too were appar-
ently purchasing wheat on just a
hand to mouth basis.

Despite wet weather corn and
oats averaged lower in price with
wheat. Gossip was in circulation
about cheap offerings from
Minneapolis and Duluth where
stocks both of corn and oats were
reported heavy.

Higher quotations on hogs gave
an upturn to the provision
market.

Chicago Livestock Market

By Associated Press.

Chicago, April 5.—U. S. Bureau
of Markets.—Cattle—Receipts 8-
000. Fairly active; beef steers
mostly steady to strong; spots
higher on better grades; top

WHITE HALL COUPLE MARRIED IN ST. LOUIS

Charles F. Wemken and Miss Mabel Campbell United in Marriage—Other White Hall News.

WHITE HALL, April 5—A marriage license was granted in St. Louis Monday to Charles F. Wemken and Miss Mabel Campbell, both of White Hall. The couple went to St. Louis early Monday morning, and announcement of the wedding was anticipated. The groom is connected with the People's Bank. He is commander and a charter member of the American Legion post, having served with distinction during the World War as a volunteer soldier, enlisting May 17, 1917, at Decatur, Illinois, and sent to Jefferson Barracks, and thence to El Paso, Texas, and was located at Douglas, Arizona, with the First Field Artillery, Second Division, when ordered to overseas service, embarking June 22, 1917, for France, landing July 13, 1917, and was with the Sixth and aided in placing the gun that fired the first shot by American troops in the World War.

He was in Toul, Marne, Roemer and Chateau Thierry sections, and in the St. Michel drive, leaving the front line October 2nd, 1918, with the commission of First Lieutenant. Upon his return home he made a most wonderful and impressive lecture on his war experiences in the First Baptist church.

His bride is from one of the substantial old White Hall families, being a daughter of Mrs. Martha Campbell of East Bridgeport street. Her father was the late James W. Campbell of the 91st Illinois Infantry in the Civil War. She is a stenographer by profession, and has had full clerical charge of the Gregory Farm office for a number of years.

News Notes.

Ralph Boyd, son of G. W. Boyd and a student of the high school, has been nominated by Congressmen Guy L. Shaw for appointment to West Point. Two other local high school students have been named as alternates, they being Carl Kesinger and Cecil Ralston.

The local committee headquarters promoting the candidacy of W. S. Corsa for member of the legislature on the republican ticket are very much gratified with the results of the canvass so far, and Mr. Corsa is personally devoting this week to Montgomery and Macoupin counties. Spread-

ing the fact that Mr. Corsa is an unusual type of legislative timber is having a decidedly favorable effect as he is in no sense classed as the professional politician. His elevation to the general assembly will make the first White Hall man in that body since the days of Judge L. E. Worcester, deceased, who served as a member of the state senate just prior to and during the civil war, being one of the five democratic members of that body who dared to vote for the ratification of Abraham Lincoln's proclamation of emancipation. The late Judge Worcester's public record was wide and varied, and he was one of the great men of his time and generation. In W. S. Corsa the community of White Hall feels that it is offering a man of like standing and ability, who will elevate the atmosphere of the state legislative body.

Keep in mind the D. A. R. rummage sale, April 6, 7 and 8 at Babb & Gibbs' garage.

EXPRESSES THANKS

I wish to thank the voters of Road District Number 1 for their support in the election Tuesday.

J. M. STICE.

UP TO THE MINUTE

Scribner's Magazine for April continues "Leaves From My Autobiography." James L. Ford has an article on "Early Memories of New England." Also note the very excellent pencil drawings of visiting statesmen made by Walter Tittle.

The North American Review has many good things this month. There is Charles Dower Hazen's, "France Liberator of Nations," and Ruth Shepard Phelps', "Dante and His English Readers." Then, too, there is Elizabeth J. Coatsworth's "Some Myths and Arts of Japan," and Winston Churchill's "The Knowledge of Good and Evil," in which Mr. Churchill grows more esoteric than ever. Current History for April have 53 different, contributed articles by known authorities. The article which will no doubt prove most popular is a clear, untechnical, easily understood explanation of how new radio-telephones operate.

In Harper's Magazine Stephen Leacock has a rather whimsical essay on "My Discovery of England." Booth Tarkington has a comedy of

an American youth called "The Intimate Strangers," and "Mastery of Men," an essay by W. L. George whose opinions of femininity are apparently endless.

These magazines may be secured at the Public Library.

Offerings in variety D. A. R. rummage sale, Babb & Gibbs' Garage, April 6, 7, 8.

RED CROSS GIVES MUCH SERVICE IN MONTH OF MARCH

Report of Morgan County Chapter Shows Many Persons Were Benefitted in Various Ways.

The report of the Morgan county Red Cross executive secretary which has just been completed for last month, shows much activity in the local office. The work of the secretary, Miss Katherine Forward, at the State Hospital with the ex-service men, has also been included in the March summary. The report in part is given here:

Total number of cases handled . . . 149
City . . . 127
Transients . . . 11
City . . . 47
State Hospital . . . 69
County . . . 22
Alexander . . . 3
Concord . . . 2
Chapin . . . 1
Murrayville . . . 2
Merredosa . . . 3
Waverly . . . 6
Woodson . . . 2
R. F. D. . . . 3
City and County Soldier Cases—
Calls of clients to office . . . 91
Revised list of status of cases now at the hospital, to date of March 31—
Number of men receiving total compensation . . . 47

THE BAPTIST REVIVAL

"God is not judging you by what you are giving, but by what you are withholding," said Evangelist Dunk at the First Baptist church last night. Ananias and Sapphira came in for denunciation in the minister's sermon.

"God judges us not by what we seem to be, but by what we are," continued the evangelist. "The devil walks very softly before he will awake a sleeping Christian, but when once he has awakened the slumberer then trouble begins." He urged a complete surrender of everything to the cause of Christ, reminding them of the decision of Gen. Wm. Booth of the Salvation Army who said, "When I gave my heart to God as a lad, I made a resolution that God should have all there was of William Booth."

Before the sermon, Evangelist Dunk sang a solo that is being used on number of victrolas in Jacksonville, entitled "The Old Rugged Cross."

The audience was almost as large as the Sunday night congregation, and the congregational singing continues to improve. The High-Y men were guests of honor and occupied a section to themselves. The evangelist announced that his sermon subject on Wednesday night would be "The Kings Business." The inspirational song service begins promptly at 7:30 each evening.

Keep in mind the D. A. R. rummage sale, April 6, 7 and 8 at Babb & Gibbs' garage.

The Best Tires

For the money, and they are well worth the money, too, now being sold by us.

Have You Seen Them?

This store is but recently opened but our tires are made by one of the world's largest concerns. Our prices are remarkably low, and castings are guaranteed firsts. Come in and let us quote you on your next tires. You'll be pleased with results.

Why isn't this the day to step up where you belong?

Winter's going—or gone. Better days are here. How about yourself? Feeling as fit as you ought to feel? Feeling in tune with Spring?

Food makes a lot of difference. Heavy food can make heavy bodies and heavy thoughts.

There's real, natural, healthful efficiency in Grape-Nuts. Splendid taste, easy digestion, well-rounded nourishment. Try it!

Leave off heavy breakfasts and lunches for a while and enjoy Grape-Nuts with cream or milk (perhaps with a little fresh or preserved fruit added). See if the step isn't lighter, the brain clearer, the will stronger—with the impulse that comes from better, friendlier food.

Nothing more appetizing for breakfast or lunch—and ready to serve in an instant. Its very crispness is a delight.

It's time to feel better and be better.

Why not let Grape-Nuts help you step hopefully, purposefully out into the Spring—and Up Where You Belong?

Order from your grocer today.

WIN \$2000

How Many Objects Beginning With "B" Can You Find in This Picture?

Here's a picture containing several objects beginning with the letter "B." The object of the game is to find the most. Fifteen cash prizes will be given for the fifteen best list of words submitted in answer to this puzzle. The person sending in the largest and nearest correct list of "B Words" will win 1st prize; the second best, 2nd prize, etc.

Without any trouble whatever you can readily see such objects as "buggy," "barrel" and "broom," can't you? Well, the others are just as plain, but the idea is to see who can find the most. I wonder how many of these "B Words" you can find? Can you find ten or twenty, or how many? It's lots of fun—try it!

EVERYBODY JOIN IN Costs Nothing to Try

The St. Louis Globe-Democrat announces today a most fascinating and amusing puzzle game—a game in which everyone from Grandpa to the little folks can take part. It really isn't a puzzle at all, as all the objects in the picture have been made perfectly clear. There are none hidden—you can see them at a glance. No need to turn the picture upside down or sideways, or tilt it, this way or that. Just each word down as you see it, and when your list is completed send it in to The Globe-Democrat and try for the big prize. This is a puzzle game just for our readers outside the city of St. Louis.

Wouldn't it be grand to learn at the close of this puzzle game that you had been awarded first prize and was the proud possessor of \$2,000? You can win \$2,000, can't you? Two Thousand Dollars will enable you to have the hundred and one things you have longed to have. You can have a home of your own—a farm—a diamond—exclusive—pay off a mortgage. It will enable you to do lots of things you have wanted money for.

Start the "word-mill" going tonight. It's lots of fun—and profitable too. Try it.

OBSERVE THESE SIMPLE RULES

1. Any person residing outside of St. Louis who is not an employee of The St. Louis Globe-Democrat or a member of an employee's family may submit an answer. It costs nothing to try.

2. All answers must be mailed on or before Saturday, April 22, 1922.

3. Answers should be written on one side of the paper only, numbering words 1, 2, 3, etc., with the sender's name and address in the upper right-hand corner of each sheet.

4. Only words found in the English dictionary will be counted. Compound, hyphenated or obsolete words will not be counted. Either the singular or plural can be used.

5. Words of the same spelling can be used only once, even though used to designate different objects. The same objects can be named only once, however any visible part of the object may also be named, and where more than one word is equally applicable to an object, any one of the words will count.

6. The person sending in the largest and nearest correct list of words will win first prize; second best, second prize, etc. One point will be allowed for each correct word sent in and one point deducted for each incorrect word or omission.

7. Candidates may co-operate in answering the puzzle, but only one prize will be awarded to any one household, nor will a prize be awarded to more than one of any group outside of the family where two or more have been working together.

8. In the event of a tie for first prize offered, the full amount of such prize will be paid to each participant.

9. All answers will receive the same consideration, regardless of whether or not a subscription to The St. Louis Globe-Democrat is sent in.

10. There will be three independent judges, having no connection with The St. Louis Globe-Democrat, who will judge the answers submitted and award the prizes at the end of the puzzle game. Webster's New International Dictionary will be used as reference, and participants agree to accept the decision of the judges as final and conclusive.

11. The judges will most directly following the close of the contest and the prize winners and winning list of words will be published in The Globe-Democrat just as quickly thereafter as possible.

Note—If you want the Big Sunday Globe-Democrat with the New Marvelous Invisible Ink Feature Section (enough right before your eyes) in addition to eight full pages of country, health, agriculture, science, magazine, etc., send \$2.50 additional for each subscription.

THE PRIZES

Winning answers will receive prizes as follows:

Prizes if NO subscription is sent	Prizes if ONE subscription is sent	Prizes if TWO subscriptions are sent
1st Prize, \$50.00	\$1,000.00	\$2,000.00
2nd Prize, 25.00	500.00	1,000.00
3rd Prize, 20.00	375.00	750.00
4th Prize, 15.00	150.00	300.00
5th Prize, 10.00	100.00	200.00
6th Prize, 8.00	75.00	150.00
7th Prize, 6.00	50.00	100.00
8th Prize, 4.00	30.00	60.00
9th Prize, 3.00	20.00	40.00
10th Prize, 2.00	15.00	30.00
11th Prize, 2.00	15.00	30.00
12th to 15th 2.00	15.00	30.00

Extra Puzzle Picture Free On Request

You Can Win \$2000

This "B-Word" Picture Puzzle Game is a campaign to increase the popularity of The St. Louis Globe-Democrat. It costs nothing to take part, and you do not have to send in a single subscription to win a prize.

If your list of "B Words" is awarded First Prize by the judges you will win \$2,000, but if you would like to win more than \$2,000, you are making the following special offer whereby you can win higher cash prizes by sending in one or two yearly subscriptions at \$4.00 each, with remittance to cover to "The St. Louis Globe-Democrat."

For instance: If your answer to the "B-Word" Picture Puzzle wins First Prize and you have sent in ONE yearly subscription to The Globe-Democrat at \$4.00 (either new or renewal) you will win \$1,000 instead of \$50; 2nd Prize \$500; 3rd Prize \$250. (See 2nd column in prize list.)

OR, if your answer to the puzzle is awarded First Prize and you have sent in TWO yearly subscriptions (\$8.00 in all), to The St. Louis Globe-Democrat, you will win \$2,000 instead of \$2,000; second prize \$1,000; third prize \$500. (See 3rd column in prize list.)

REMEMBER: It takes but two yearly subscriptions at \$4.00 each to qualify for the Big \$2,000 reward. ALSO: LITERS! Two subscriptions are the maximum, and those subscriptions can be either new or renewal, and they can be delivered either by mail or by the local Globe-Democrat representative (if there is one), as you prefer. Your own subscription will count, and we will take subscriptions now and hold the credit on our books and start the paper at any future date desired.

If you send subscriptions be sure to specify if they are to be delivered by mail or local newsdealer (if there is a Globe-Democrat newsdealer in your town). The price is the same, \$4.00 per year (daily except Sunday) by mail or newsdealer. If you wish the big Sunday Globe-Democrat add \$1.50 for a full year's subscription.

Address communications and send all lists of words and remittances to Manager Picture Puzzle Game.

THE GLOBE-DEMOCRAT, ST. LOUIS, MISSOURI
